LIONS OBSERVE ANNIVERSARY MONDAY NIGHT

(Picture on Page 3)

With their ladies and visiting Lions officials as guests, Gettysburg Lions celebrated their 35th anniversary with a dinner Monday evening at the Hotel Gettysburg.

An honorary membership in the club for Major John S. D. Eisenhower was announced, a special service award was handed to the Rev. Charles E. Held of the local club and more than a score of local Lions were honored for their service to the club and the community.

President John C. Stahle presided at the affair with 151 Lions and guests attending.

Honor Charter Members

Occupying a place of honor in front of the speakers' table were four of the five charter members who continue as active members today. Seated with their wives, these charter members received 35-year service pins and certificates: Arthur E. Hutchison, Roy W. Wentz, C. Ross Shuman and Fred S. Faber. J. Milton Bender, also a charter member, was absent. All five are former presidents of the club.

Guest speaker was International Director Paul W. Mahady, LaTrobe attorney and state senator. He was introduced by District Governor Charles W. Mowery.

The award to the Rev. Mr. Held, pastor of the Mt. Joy Lutheran Church, who is chairman of the county Red Cross chapter, secretary of the Adams County Heart Association and a member of the county Board of Assistance among other community positions he fills, was presented by President Stahle. He praised Held as "a fine gentleman, a wonderful Lion and one who possibly does more than anyone else in the club in community service." The Rev. Mr. Held is a former Lions regional director in western Pennsylvania. He responded briefly.

Honored For Service

The other awards were announced by District Governor Mowery.

President Stahle read a letter from Lions International announcing the approval of an honorary membership for Major Eisenhower. He and his wife had been invited to Monday night's party but sent a letter of regret. Stahle displayed a framed certificate, a plaque and a pin which will be presented later to Major Eisenhower.

The honors announced by Mowery began with those for the charter members and these followed: 25-year awards to Orville B. Orner and Stewart H. Moyer; 20-year chevrons to Robert Sheads; 20-year Old Monarch.

COUNTY COUPLE WED SUNDAY IN LOCAL CHURCH

Miss Edith May Clapsaddle, daughter of Mr. and Mrs. Emory J. Clapsaddle, R. 4, became the bride of Ray Carlton Mackley, son of Mrs. Esther M. Mackley, 403 S. Washington St., Sunday evening at 6:30 o'clock in the First Methodist Church in a candlelight service. The double-ring ceremony was performed by the Rev. William E. Fenstermaker.

The church was decorated with asparagus ferns placed around candles on the windows and candelabra in front of the church. The soloist, Donald Bollinger, was accompanied at the organ by Mrs. Robert Dearhoff.

The bride, given in marriage by her brother, Arthur B. Clapsaddle, was attired in a rose pattern lace gown over white taffeta, with short train of rose pattern lace and net, and scalloped neckline, and long sleeves. She wore a fingertip rose pattern lace mantilla. She carried a cascade of white carnations and violets with detachable corsage.

Three Attendants

Miss Anna B. Clapsaddle, R. 4, sister of the bride, served as maid of honor. She wore a floor-length gown of lavender nylon over net and taffeta with a matching headband of carnations. She carried a cascade bouquet of white carnations and violets.

Miss Sophia Matthews, R. 4, friend of the bride, and Mrs. Richard L. Stouch, 133 W. Middle St., niece of the bride, served as bridesmaids. They wore ball-length gowns of lavender organza over matching taffeta slips with satin cummerbunds of darker lavender. They wore matching.

Couple Observes 47th Anniversary

Mr. and Mrs. John Goodermuth, 238 E. Middle St., today quietly observed their 47th wedding anniversary.

Mrs. Goodermuth is the former Miss Annie B. Heagey, daughter of the late Mr. and Mrs. George Heagey.

The couple has six children: Paul, Miami; Roy, Hanover; Mrs. John Hartman, York; Mrs. Clark Hartman, Arendtsville, and Mrs. Dorothy Trimmer and Mrs. Martha McClell, both of Gettysburg; 11 grandchildren and five great-grandchildren.

TOWN TRAFFIC FINE POLICY IS NOW IN EFFECT

Gettysburg's new traffic-violation payment plan went into effect today. Borough policemen met with Burgess Wilbur L. Plank Monday night at the engine house to be briefed on the new method of fine collection, and receive the new tickets.

Under the new ordinance of borough council, traffic violators will have 48 hours to pay their fines.

At the end of 48 hours letters will be sent notifying them that the fine is \$5. If the fine is not paid in ten days, the case will be turned over to a justice of the peace, which will mean approximately \$15 fine and costs.

The burgess told the officers that the borough office in the engine house will be open from 9 a.m. to 5 p.m. daily except Sunday starting today so that persons receiving the tickets may have an opportunity to pay them immediately.

The burgess directed traffic violators not to give their ticket and money to a policeman. "Under the old system this happened frequently. Under the new system the officer is forbidden to accept the money."

Plans to draw up a code for the borough police were discussed.

College Sends 2 To PI Meeting

Dr. Harold A. Dunkelberger, assistant to the president and director of alumni relations and development, and Raymond S. Davis, director of public information, of Gettysburg College, leave tonight for Syracuse, N. Y., to attend the mid-winter meeting of the American College Public Relations Association (ACPRA), Middle Atlantic District.

Dr. Dunkelberger will participate Thursday morning in a panel discussion on "developing a master blueprint of institutional needs as a base for an overall public relations and a development program." B. P. Taylor, executive director, Penn State Foundation, and Alan Bonnell, vice president, Drexel Institute, will also participate. Dunkelberger will speak on "the blueprint from the faculty and alumni point of view."

The conference opens at the Hotel Syracuse Wednesday morning and closes Friday noon.

COUNTDOWN IN MISHAP

A street intersection in Chambersburg was the scene of an accident at 10:50 a.m. Saturday involving cars operated by Edgar Small, Chambersburg R. 6, and Thomas Clapsaddle, Orrtanna R. 1. Damage to the Small car was set at \$200 and to the Clapsaddle vehicle at \$250. No one was injured. Chambersburg police quipped Small as saying his car, skidded on ice as he attempted to bring it to a halt at King St. when it struck the Clapsaddle car.

President Sends Congress His Economic Report Today

By STERLING F. GREEN

WASHINGTON (AP)—President Eisenhower said today the nation faces a grave choice—either self-discipline to prevent a damaging inflation, or government controls "which are alien to our traditional way of life."

Eisenhower sent to Congress his economic report, third and last of the major annual messages. It announced a virtually full recovery from the recession, forecast record income and production in 1959, and held out hopes of tax reduction reasonably soon thereafter. It asked 31 laws to help "assure a vigorous growth of our economy."

But the message clearly was meant as an alarm bell to rally labor, business and consumers to unite with the government in defending the value of the dollar.

"Hold The Price Line"

Wage rises that run ahead of increases in output per worker, Eisenhower said, push up prices, hurt sales and impair American competition in world markets.

Thus excessive wage costs ob-

SOPHOMORE BAKES BEST CHERRY PIE

Rebecca Stahley, 17, 10th grade student and daughter of Mr. and Mrs. Raymond Stahley, R. 2, won the annual cherry pie baking contest at Gettysburg High School Monday in a bake-off in which 11 finalists competed.

Carole Landis, 17, senior and daughter of Mr. and Mrs. Jesse C. Landis, Cashtown, was runner-up.

The finalists, those of 30 contestants who remained in the running through three elimination contests, included, in addition to the winners, Lake McClell, Bonnie Boyd, Darlene Funt, Nancy Baltzley, Alona Sanders, Kay Hawley, Rose Marie Hagebaum, Doris Peters and Helen Parr.

The school winner will compete in a county contest to be held in the high school here January 29 at 4 p.m. County winners will participate later for the state cherry pie crown.

Three Judges

All of the contests are sponsored by the Pennsylvania Red Cherry Growers Association. Judges for the Monday contest were N. Louise Ramer, high school guidance counselor; Mrs. John Naugle, graduate home economist of the University of Nebraska, and Mrs. Fred Griest, of the Pennsylvania Horticultural Society.

The 11 contestants are vocational home economics pupils in grades 9-12 and are taught by Miss Eva Jane Schwartz.

MAJOR RITES TODAY

J. A. GALLETT, EX-GOLF PRO, DIES MONDAY

James Alfred Gallett, 73, Abbotstown R. 1, for 12 years golf professional at the Hanover Country Club, died Monday morning at 10:25 o'clock at the Hanover Hospital. He had been in ill health since October, 1957, and was removed to the hospital Sunday.

A native of England, he was a son of the late Alfred and Mary (Hodge) Gallett, and became a golf professional despite the fact that he had been crippled by the game. He was aged nine when a golf ball struck his leg and thereafter he suffered from a stiffened right knee.

He served as golf professional at the Hanover Country Club from 1928 to 1940 and thereafter was employed each summer at his brother's golf course, the Blue Mountain Course, in Wauwatosa, Wisconsin. He was a member of the Professional Golfers Association.

Surviving are his wife, the former Mary Fallon; a daughter, Katherine W. Gallett, at home, and six brothers and sisters: Mrs. Jack Fakes, England; Mrs. Robert McKnight, Montpelier, Vt.; Miss Mabel Gallett, Milwaukee; Francis C. Gallett, Wauwatosa and Jack and Len Gallett, both of Milwaukee.

Funeral services Wednesday afternoon at 2 o'clock from the Fred F. Feiser Funeral Home, New Oxford, with the Rev. Fred C. Stiner, pastor of the First Methodist Church of Hanover, officiating. Interment Friday afternoon at 2 o'clock in a Wauwatosa cemetery. Friends may call this evening from 7 to 9 o'clock at the funeral home in New Oxford.

PLEADS GUILTY TO BURGLARIES

Franklin Delano Sterner, 25, a Hanover construction worker, presently in the York County jail, left there long enough Monday afternoon to sign a plea of guilty before Justice of the Peace Robert P. Snyder to four service station burglaries, three occurring in Gettysburg the other in Straban Twp.

Sterner was brought here by state police and was immediately returned after a brief hearing.

Justice Snyder said Sterner requested he be sentenced here as soon as possible. He is scheduled for sentencing in York next Monday and in Adams County during the first half of February.

He is charged by borough police with burglarizing the Gettysburg Motors Garage, the Snack Shack and Roger's Sunoco Station, all on York St. State police filed the burglary charge against him for the Direct-to-You service station, two miles east of here. The thefts are said to have occurred on December 7. Sterner is alleged to have stolen \$90 in cash and \$212 in goods in the four robberies and is charged with causing \$525 in property damage.

Sterner, according to police, was placed in the York jail as a result of burglary charges filed against him by Hanover police. He is suspected of being involved in a series of thefts in Adams, York and Lancaster Counties.

Will Teach Classes In Square Dancing

Square dancing lessons for Fifth and Sixth graders will again be conducted this year, Recreation Director Chester Hilger announced today.

All of the classes will be held in the auditorium of the Keelauver School from 3:30 until 4:45 o'clock in the afternoon. The Sixth grade classes will begin Wednesday afternoon at 3:30 o'clock and the Fifth grade classes will begin Tuesday afternoon at 3:30 o'clock.

Jay Crouse, Littlestown, of the Adams County Senior Extension Club, will be the caller for the instruction which will continue for ten weeks.

Hilger asked parents who plan to call for their children after the instruction to be at the school by 4:45 o'clock because the school board closes the gates controlling the entrances to the school at 5 o'clock.

OUTLINES WORK OF ACES BEFORE ROTARY CLUB

The work of Americans for the Competitive Enterprise System (ACES) was outlined Monday evening at a dinner meeting of the Rotary Club at the YWCA by Edward M. Green Jr., vice president of the Dauphin Deposit Trust Co., of Harrisburg, and vice president of the Central Pennsylvania chapter of ACES.

"Americans for the Competitive Enterprise System," he said, "are a group of individuals who believe that the competitive enterprise system has been responsible for the high standards of living in America and who believe that its continuation will lead to ever greater advances in the way of life for America and, if it is adopted by other nations, the world."

"Because we believe this, we seek to promote a better understanding of what the competitive system is through various activities. We provide a high school program, a teachers program, a clergy program, a college program and a speakers bureau to spread the information on how our economic system operates."

Tours For Students

"We provide tours for high school students. Under our program a classroom discussion period with an ACES representative is held. Then a visit is made to a typical community business place to give a look 'behind the scenes.' Then discussion periods are held in the classroom with a representative of the company visited answering students' questions. So far the Central Pennsylvania Chapter has provided such a program for 12,329 students, and examinations given the students before and after such visits, show

BOLLINGER RITES TODAY

Funeral services for Mrs. Alice S. Bollinger, 90, who died Friday at the home of Mr. and Mrs. Harvey Daywalt, 233 S. Washington St., with whom she had resided for seven years, were held this afternoon from the Peters Funeral Home, Carlisle St., with the Rev. Charles E. Held officiating. Interment was in the Mt. Joy Lutheran Cemetery. Pallbearers were John and Charles Bollinger, Andrew F. Schaib, John F. and Maurice Fitey and E. S. Wagaman.

INVITE PUBLIC TO MEETING AT LIBRARY

An invitation was issued today to the public to attend the annual meeting of the Adams County Free Library Association Thursday evening at 8 o'clock at the main library on E. High St. when annual reports, a business meeting and a presentation of library needs and plans will be included on the program.

No guest-speaker has been invited, but President C. P. Keefer of the library association will talk briefly on "What A Librarian Means to A Community." Dr. John Anderson of the library board will discuss facilities and plans of the county library and Attorney H. Thomas Pyle, also a member of the board, will discuss the proposed 1959 budget.

The recent Pennsylvania library survey and its plans for boosting library services and support will be reported upon by Mrs. Mary S. Wilson, the librarian.

Invite Questions

Treasurer Frank N. Hewetson will give his annual report and the Nominating committee report will be followed by an election to fill four positions on the board of directors. Terms of Mr. Keefer, Dean Asquith and Mrs. Leon D. Roos are expiring and the unexpired term of Lewis D. Bosserman also will be filled. The Nominating committee is headed by Prof. Francis Reinberger and includes the Rev. Nevin R. Frantz and David E. Winebrenner III.

There will be an opportunity for questions and discussion by persons attending the meeting, President Keefer said.

Refreshments are to be served after the business session.

ARCHERS TO MEET

The Gettysburg Archers will hold a meeting Wednesday at 7:30 p.m. at the VFW home on E. Middle St.

Weather Forces Lawrence Inauguration Into Farm Show Arena; Call Parade

HARRISBURG (AP)—David Leo Lawrence, an old pro in politics, was inaugurated governor of Pennsylvania today at a hurriedly arranged indoor ceremony.

Lawrence, taking the oath at the State Farm Show Building as snow banked outside, called in his inaugural address for unity on the state's history one Democratic governor has succeeded another.

A snowstorm that started at daybreak snarled carefully made plans and brought a quick shift of the inaugural ceremony from a glass-enclosed stand built on the capital steps to the Farm Show Building. An elaborate Democratic victory parade which was scheduled to last about three hours this afternoon also was canceled.

The snow stopped an hour before the ceremony.

The 69-year-old "Mr. Democrat" of Pennsylvania and veteran of many tax battles, made his conciliatory appeal for unity on taxes and other economic problems with much of the pomp and pageantry of outdoor inaugurations missing.

"I begin my term of service today in the firm belief that we can take our tax issues out of the contention of partisanship—that, in-

Driver Is Fined After Collision

Damage totaled \$30 when two cars collided this morning at 8:10 o'clock four miles south of here on the Emmitsburg Rd.

State police said Upton J. Stoner, 75, Gettysburg R. 2, was driving south and attempted to make a left turn into a private drive when his car was struck from the rear by a southbound auto operated by Franklin Delonzo Brown, 25, Washington, D. C. Damage was \$5 to the Brown auto and \$25 to the Stoner vehicle.

Brown pleaded guilty before Justice of the Peace John Whitman, Cumberland Twp., to a charge of following too closely brought by state police and paid a \$10 fine and costs.

HOPE TO BRING NEW TRAILER FACTORY HERE

The board of directors of the Gettysburg Chamber of Commerce at a meeting Monday night in the Chamber office in the Plaza building began preliminary contact with the New Moon Homes, Inc., of Americus, Ga., with the hope that the company will decide upon Gettysburg as the location of a proposed new branch plant.

The company manufactures mobile homes and is currently studying the possibility of a site for a branch manufacturing plant. Chamber President Julian Estep told the directors: "We don't know if we can get the plant, because competition from other cities is very keen, but we are certainly going to make a good try."

Ten members of the Chamber were selected to attend a meeting March 13 at York when the national Chamber of Commerce will conduct a workshop on Chamber of Commerce programs for the various chambers in this area.

Limit Committees

According to a decision by the board, there will be only three committees of the chamber this year: industrial, parking, and municipal and civic improvement. President Estep was asked to name the members of the committees in the near future.

The resignation of David Blocher as a director was accepted with regret. Blocher said that the pressure of other business and duties prevented his continuing the Chamber directorship. President Estep was authorized to name a replacement.

The board sent a letter to Paul B. Fox, chairman of the Executive (Continued On Page 3)

Three Couples Are Issued Licenses

Marriage licenses have been issued at the court house to the following couples:

James David Rang Jr., son of Mr. and Mrs. James D. Rang Sr., Littlestown R. 2, and Betty Lou Mundorff, daughter of Mr. and Mrs. Calvin L. Mundorff, Littlestown R. 1.

Wilbur Francis Martin, son of Mr. and Mrs. Franz C. Martin Jr., Gettysburg R. 2, and Delores Elizabeth Topper, daughter of Mr. and Mrs. Roger J. Topper, Fairfield R. 1.

Walter Ira Henry and Julianne Magdalen Wagner, Lancaster.

SET DATE FOR COURT HEARING ON LAND SALE

The Adams County court today set February 14 at 10 a.m. as the time for the hearing on the proposed sale of approximately 10 acres of the county home land to the Gettysburg Compier Corporation for Radio Station WGEE.

According to the petition filed with the court by the Adams County Institution District officers, E. Donald Scott, J. Blaine Bushey and George E. Kane, the county proposes to sell the 10-acre and 114-perch plot, partially in Cumberland and partially in Straban Twp., along the Gettysburg-Harrisburg Rd. at Rock Creek, to the Compier Corporation, Paul B. Ramer, president, for \$20,500.

The petition filed for the institution district by Attorney Donald G. Oylar states that the land is no longer needed for the purposes of the Adams County Institution District and that the \$20,500 price is "fair and reasonable and higher than could be obtained at public sale."

Would Be Second Sale

The proposed sale, if approved by the court, will mark the second disposition of part of the county home land by the institution district. The first plot, approximately 10 acres, was sold to the Gettysburg Joint School District for \$45,000 for the Eisenhower School site.

It was pointed out that additional sales to be made of the county land will follow as offers are made and that all must be approved by the court before final sales can be consummated. The institution district hopes through the sale of land, plus \$150,000 already on hand, to raise sufficient funds to pay for the proposed new county home without any increase in taxation or sale of bonds.

According to the petition filed in the sale of the land to Compier Corporation, \$2,500 has been paid by the company with \$18,000 to be paid upon receipt of deed to the land which borders on property of Jacob E. Forman, W. Ervin Jordan, Carl Oylar and the Adams County Institution District.

ASK LUTHERAN HOME FOR AGED IN THIS COUNTY

Members of the St. James Lutheran Church at their annual congregational meeting Monday evening elected seven men to the Church Council, voted to establish a student scholarship fund and sent a resolution to the West Pennsylvania Conference of the ULCA urging the establishment of a church home for the aged in Adams County.

At the business meeting Richard A. Folkenroth was elected as a trustee; Eugene R. Hartman and Arthur V. Phiel Jr. as elders and Roy A. Weaver, Herbert Zepp, Luther A. Smith and Ned Crouse as deacons. All are to serve two-year terms.

The congregation directed that a resolution be prepared for presentation to this conference of the Central Pennsylvania Synod asking that consideration be given to establishment of a home for the aged here.

The action was taken at the suggestion of a number of members of the congregation. This area is served now by the National Lutheran Home in Washington, D. C., but there has been a waiting list of applicants there for a number of years despite the fact that the number of guests there has been increased from 50 to 250 since it was opened.

The scholarship fund plan approved Monday evening would establish a fund to be administered by the Church Council through loans or gifts to young men or women of St. James congregation. It would be available to young men going into the ministry and to young women preparing for full-time Christian work.

The meeting was preceded by a covered dish supper at 6:30 o'clock. The meal was arranged by the Fifty-Fifty Sunday School class assisted by Paul Kargus, Mrs. John Epley and Mrs. Paul Reaver. The assistant pastor, the Rev. John Bishop, led congregational singing and gave the invocation before the meal. At the opening of the business session, Elmer H. Schriver, the retiring lay leader of the Church Council, led in a brief devotional service.

The pastor, the Rev. Dr. Paul L. Reaser, presided at the business session. Reports of various church organizations were given including the Church Council, Sunday School, Boy Scout unit, the choir, the Luther League and others.

SLEET FALLS AFTER WARMUP

Temperatures that rose rapidly from a low Monday morning of 4 above zero turned early morning sleet into rain here after highways had become slippery and de-icing crews had been sent out.

The bad roads resulted in the closing of Delone Catholic High School for the day but there were no other reports of closed schools in the county. A number of York County schools were reported closed.

By 8:30 o'clock this morning the mercury had reached 33 degrees and it hovered around the freezing point much of the day.

Snow, Rain, Cold

Snow flurries, snow squalls, rain and sub freezing temperatures all added up to uncomfortable inauguration day in Pennsylvania today.

The nasty weather forced indoor the ceremony in Harrisburg inaugurating Pittsburgh's David L. Lawrence as governor of Pennsylvania.

Throughout the state icy roads made driving to work a hazardous detail. State and local police advised motorists to use public transportation if possible. Leave your car at home was the order of the day.

The forecast for southeastern Pennsylvania was for occasional rain today, tonight and Wednesday with slowly rising temperatures. In the central and northeastern areas cloudy and cold with some snow in the central mountains and occasional rain in the southern tier and in the offing. Snow flurries and rain was expected to predominate in western Pennsylvania.

Skidding Accidents
In the Philadelphia area skidding accidents were numerous. Many drivers were unable to make steep hills. Many suburban schools were forced to close. Highway sailing and cinderling crews were out in full force.

Two Philadelphians were killed and a third injured in a truck-auto crash on the ice coated Schuylkill Expressway above West Conshohocken.

A variety of weather was reported from western Pennsylvania with the northern section getting some light snow or freezing rain and the southern mostly rain. Bradford experienced a cold, freezing drizzle with some snow mixed in.

Light snow flurries fell at Johnstown and Phillipsburg, Erie County, hard hit by snow squalls and rain Monday, reportedly returned to normal today.

Main highways throughout the state were open although icy.

GHS STUDENTS TO RAISE FUND

This afternoon Gettysburg High School students made pledges to buy "Good Will Shares" that are intended to provide funds to fund another foreign exchange student here next year and send a local student to a foreign country for next summer.

At a senior high school assembly this afternoon a roundtable discussion was held on the student exchange program and its operation here. The "Americans Abroad" program also will be explained and Mari Braaten of Norway, the current foreign exchange student here, will speak.

The "good will shares" will be offered at 25 cents each and students will be asked to pledge purchases through their home rooms. The committee in charge seeks \$700 through this means to be added to the \$550 balance left over from last year's campaign.

The project is being handled by a committee appointed by the student councils at the school. Mrs. Charles Smith, a faculty member, is chairman of the committee. James R. Feather, chairman of the Finance sub-committee, was in charge of today's assembly.

A similar program will be presented for the junior high school students on Thursday afternoon.

FILE EXCEPTIONS

Exceptions were filed by Attorney John A. MacPhail Monday in the probatory office for Mary E. (Baumgardner) Klinedinst to the report of the master in the divorce action brought suit against Mrs. Klinedinst by her husband, Russell Klinedinst. She alleges the master erred in accepting allegations of infidelity as fact and recommending that the divorce be granted on those grounds.

award to Hugh C. McIlheny; 15-year Old Monarch awards to C. A. Cluck, Kenneth P. Hull, Dr. James Martin, Paul R. Mehning, Robert Smith, Fred G. Troxell, Richard C. Warren, Dr. Raymond Sheely and Charles R. Wolfe.

"Challenge To Others"

Ten-year Monarch awards were presented to John H. Basehor, Kenneth Dengler, Eugene Hartman, LeRoy LeVan, M. H. Nichols, LeRoy E. Smith, Donald Ulrich, Jack Caldwell, Harold Eckert, Ronald Kime, Leo McDermitt, Douglas W. Smith, Kenneth Thomas and Earl E. Ziegler.

After paying tribute to the service record of the local Lions, Director Mahady said: "The story of Lions is the story of little things. Lions do not set out to do great things but small, useful, necessary things. Lionism is another manifestation of love, love for those less fortunate than we. Lions do something about the less fortunate. We are doers of the Word and our little deeds mount up to great results."

"One of the functions of Lions Clubs is to train leadership and lead a community to better things. We are to set an example in charity and community service and be a challenge to other organizations to match or imitate our accomplishments."

Mahady was presented with the book "The Battles and Leaders of the Civil War" by President Stahle.

Reads Messages

Stahle read anniversary messages from Lions officials including International President Dudley L. Simms. He introduced a number of visiting officials including International Councilors Sidney Bernstein, Robert Wolfgang, Robert Snyder and Kenneth Keller and their wives; Deputy District Governor Gerald Krepps and Zone Chairman Clair F. Shillito.

There was special music by the Lions Club quartet and a big birthday cake with 35 candles glowing was brought to the charter members' table and cut by Roy W. Wentz.

Past presidents of the club were introduced.

There were special souvenir programs printed in the Lions' colors of purple and gold with a foreword from President Stahle, a list of the charter members, present members and officers and Lions officials in addition to the program for the evening.

These charter members were listed in the program and the assemblage stood briefly in memory of deceased charter and other members of the club: William H. Arnold, J. Milton Bender, John W. Brehm, John P. Butt, C. P. Cessna, Dr. C. G. Crist, Dr. Walter H. Danforth, C. B. Dougherty, E. H. Dougherty, Mark K. Eckert, C. W. Epley, Mr. Faber, William D. Gilbert, George E. Hartman, Dr. Charles H. Heldt, Rev. N. L. Horn, Mr. Hutchison, Wayne M. Keet, Dr. Frank H. Kramer, Dr. E. A. Miller, J. Harold Mumper, Grover C. Myers, Ivan G. Naugle, R. Z. Oyler, Dr. C. F. Sanders, Henry M. Scharf, Mr. Shuman, J. Clair Sowers, J. Donald Swope, I. L. Taylor, S. C. Thompson, Maurice S. Weaver, William G. Weaver, R. W. Wentz, C. R. Wolff and Wallace F. Wyllie.

J. G. Collins announced that a group of local Lions will meet at 6 o'clock this evening to go to Biglerville for a meeting of the Upper Adams club.

Road Crews Start Ice Battle At 5
State highways in Adams County were listed as "hazardous" this morning in the wake of freezing rain and snow. The freezing pattern was not the same throughout the county. Clyde Garber, superintendent here for the Department of Highways, said that conditions were particularly bad in the mountains and in the Littlestown area. Route 15 conditions were relatively good.

Thirty-four state trucks and 120 men were at work as early as 5 a.m., spreading non-skid materials on the highways throughout the county. Salt alone was used on Gettysburg streets.

Later in the morning, the snow changed to rain and rising temperatures changed the snow and ice to slush. At noon, crews were working in the Mt. Newman area removing slush from the road surface. Elsewhere, roads generally were reported in "pretty good condition" but with the prospect that falling temperatures tonight would create new hazards.

CODE VIOLATOR

Ruth O. Rinker, 26, Hampton, has been charged by Hanover police with a traffic signal violation in an information filed before Justice of the Peace William Y. Nail Jr., Hanover.

PARKED CAR STRUCK

Joe Hazen, 20 Reynolds Ave., reported to borough police Monday his foreign car was hit on the left rear fender and bumper while it was parked in front of his home between 6 p.m. Saturday and 8 a.m. Sunday. He said damage was about \$50.

with black accessories. The groom's mother wore a blue street-length dress with black accessories.

Immediately following the ceremony a reception was held in the church social hall after which the couple left for a wedding trip to Miami, Fla. For her going away outfit the bride wore a lavender wool jersey dress with black accessories. Upon their return the couple will reside on Chambersburg St.

The bride is a graduate of Gettysburg High School and is employed at Pomeroy's in Harrisburg. The groom is a graduate of Scotland School and is employed by the C. H. Musselman Company in Biglerville.

Out-of-town guests were from Mont Alto, Harrisburg, New Cumberland, and Lisburn.

DEATH

Rev. Bruno Currier

The Rev. Bruno Currier, 28, Franciscan priest who spent the summer of 1957 as temporary assistant in the Paradise Parish, died recently in a Philadelphia hospital, the Rev. Louis S. Dougherty, pastor, reported.

The Rev. Fr. Currier has ordained shortly before he served at Paradise. During his brief stay in the area, he visited many homes in the Abbottstown and East Berlin areas taking the parish census. He conducted the parish's annual Forty Hours devotion. He was teaching in a Catholic boys' high school in Philadelphia when he was stricken with the illness that resulted in his death.

DAMAGE SUIT IS FILED HERE

Ad Thurmond, N. C., couple, Sadie and Earl Burke, have instituted an action in trespass in Adams County court against Shirley B. Nissen, Toledo, O., as a result of an accident at the York Springs intersection November 2, 1955.

According to the papers filed in the probatory office by Attorney H. Thomas Pyle for Mr. and Mrs. Burke, the Burkes were driving south on the Gettysburg-Harrisburg Rd. with a car and house trailer when a westbound station wagon, on the Carlisle-Hanover Rd., operated by Mrs. Nissen and owned by her husband, Dr. Edward B. Nissen, struck the Burke car and house trailer.

Mrs. Burke suffered a cerebral concussion, a tear of posterior ligaments of the cervical spine, an injury to the subscapular area and right shoulder. As a result she had to wear a cervical collar for seven months and since that time had suffered "excruciating pain in and about her spine" and "violent headaches."

She is suing for \$270.90 medical bills, \$5,000 for pain and suffering, \$5,000 for future pain and suffering, \$2,171.16 for repairs to the house trailer, \$140 for damage to furnishings and food in the trailer, and \$57.76 for additional lodging, meals, telephone bills, etc., a total of \$12,739.82. Mr. Burke seeks \$5,000 for "loss of consortium"—the services of his wife.

EXCHANGE TO MEET

The Gettysburg Exchange Club will meet this evening at 6:30 o'clock at Bankert's Restaurant, Littlestown Rd., for their weekly dinner-meeting. Plans for the forthcoming builders show will be continued. President Donald Joseph said today.

Mr. and Mrs. C. L. Yost, Biglerville, spent Sunday in Myers-town with Mrs. Yost's parents, Mr. and Mrs. Thomas Yingst, and her brother-in-law and sister, Mr. and Mrs. R. A. Himmelberger.

Miss Dorinda Clark was honored at a birthday party given by her parents, Mr. and Mrs. Dale E. Clark, Bendersville, at the Bendersville community hall Saturday evening. She celebrated her 12th birthday. Balloons and pink and blue crepe paper were used in the decorations. The evening was spent playing games and dancing. Refreshments were served.

The guests included Brenda Blocher, Beverly Orner, Barbara Main, Sue David, Bonnie Singley, Carol Crum, Marie Reed, Gail Naylor, Kay Fellers, Audrey Rose, Dixie Cline, Donna Cline, Beverly Gagey, Sue Bishop, Fannie Swisher, Connie Stallsmith, Randee Koonz, Kay Collins, Rae Deardoff, Martha McDannell, Diane Baltzley, Carol Houck, Jayne Nelson, Carolyn Haas, Patty Kane, Emily Diehl, JoAnn Cuthsall, Betty Bretzman, Gloria Smeed, Carol Nyce, Jane Hauser, Beth Snyder, Ann Bucher, Holly Asquith, Barry Welker, Kenneth Orner, Van Clark, Robert Bream, Mike Thompson, Larry Wood, Kenneth Lorew, Ross Kennedy, Bill Gardner, Jeff Horick, Robert Thompson, Richard Johnston, Blake Constable, Roger Brough, Bob Garretson, Keith Lawver, Jay Collins, Donald Heckman, Ronald Guise, Don Stauffer, Corry Bedford, Jere Lady, Bruce Marden, Samuel Crum, Mr. and Mrs. Cecil Snyder.

The choir of Flohr's Lutheran Church, McKnightstown, will rehearse at the church Wednesday evening. The Children's Choir will rehearse at 6:30 o'clock, the Youth Choir at 7, and the Church Choir at 7:45.

The January meeting of the Bendersville PTA will be held in the form of a fun night Thursday evening at 7:30 o'clock in the elementary school. There will be square dancing for the adults and fourth, fifth, and sixth graders, and other entertainment for the younger children. Instructions in square dancing will also be given.

The Wenksville Methodist Church choir will rehearse at the church Thursday evening.

The Junior Choir of Trinity Lutheran Church, Arendtsville, will rehearse at the church at 8 o'clock and the Senior Choir at 8 o'clock Thursday evening.

According to the petition for continuance filed by Attorney Edward B. Bulleit, two additional trespass actions been filed. An action for personal injury has been brought by Robert W. Yingling and it is anticipated that actions for personal injuries will be filed by the three Spangler children in the near future.

The postponement was asked to permit all of the eight cases to be tried together since they all cover the same set of facts.

CHECK POLICE REPORT
Police here are checking on a report that a person or persons apprehended in an upstate community admitted stealing from poor boxes in several places, including the Gettysburg area. The reported burglarizing of the poor box in the Prince of Peace Episcopal Church here last Wednesday or Thursday does not coincide with the November date of the theft which was admitted, police said.

MISSSES MARK
CAPE CANAVERAL, Fla. (AP)—The latest Navy Polaris roared off to a fine start but the sleek rocket failed to hit the pre-selected impact area in the Atlantic, it was learned today.

The missile, forerunner to the operational Polaris which will be ready for nuclear submarine use next year, blasted up Monday and appeared to function smoothly.

The following Church Council members and officers were elected recently at Christ Lutheran Church, Aspers: Elders, Clair Dull and Lester Taylor; trustees, Clair Winand and Merle Eisenhart; deacons, Tom Motter, Charles Heller, Gene Motter and Fred Hoffman; president, the Rev. Dr. O. D. Coble; lay president, Clair Winand; secretary, Lester Taylor, and treasurer, Robert Eisenhart.

The Women's Auxiliary of the Council of Bethlehem Lutheran Church, Bendersville, re-organized recently and elected the following officers: President, Mrs. Dale E. Clark; vice president, Mrs. Glenn Taylor; secretary-treasurer,

Mrs. Luther Horick. Other members of the auxiliary are Mrs. O. D. Coble, Mrs. Lillian Heller, Mrs. Arthur Kuntz, Mrs. John Pitzer, Mrs. James Routsong, Mrs. Leroy Routsong, Mrs. Ward Taylor and Mrs. Ruth Lochbaum.

Mr. and Mrs. Herbert Hartman and daughter, Peggy, and Grayden Gray Jr., of Newark, Del., visited Sunday with Mr. and Mrs. John R. Weaver, R. 2, Biglerville. Mrs. Hartman is the daughter and Mr. Gray the grandson of the Weavers.

7 TREATED AT HOSPITAL

Seven persons were treated at the Warner Hospital Sunday and Monday for minor injuries received in a wide variety of accidents.

Richard Bruce, 32, R. 2, received treatment for a fracture of his left wrist sustained in a fall while ice skating Sunday.

Olive Bonebrake, 42, 12 Carlisle St., an employee at the Du-dash truck stop, R. 2, was treated Sunday for lacerations of her left four fingers received while using a butcher knife.

Miss Jean McMillan, 19, 265 Buford Ave., an employee of the Gettysburg Shoe Co., was treated Monday for a laceration of her left middle finger suffered when her finger caught in a machine.

DELAY TRIAL OF 8 ACTIONS

Trial of the cases arising from a December 25, 1957, auto accident near Littlestown in which three were killed will be held in the May term of court, according to approval given by the court for continuance of two of the cases.

The papers asking continuance of the two cases which originally were scheduled for the February term of court indicates that there may be possibly eight suits to be tried simultaneously by an Adams County jury in May.

In the accident Lloyd E. Eller, Littlestown R. 1, and Mr. and Mrs. John M. Spangler, Hagers-town, were fatally injured. Three children of Mr. and Mrs. Spangler were injured as was Robert W. Yingling, Littlestown R. 1. Yingling was the owner of a car Eller is alleged to have been driving. Mr. Spangler was the driver of the other car in which the members of his family were passengers.

The suits originally set down for trial in February term of court were the trespass action brought by Mrs. Margaret Bailey, Hagerstown, as administrator of the estate of John M. Spangler, against Robert W. Yingling and Lucy G. Eller, administratrix of the estate of Lloyd E. Eller, and the trespass action brought by Lucy G. Eller, as trustee ad litem of her late husband's estate, against Robert W. Yingling and Margaret R. Bailey as administrator of the estate of John M. Spangler.

According to the petition for continuance filed by Attorney Edward B. Bulleit, two additional trespass actions been filed. An action for personal injury has been brought by Robert W. Yingling and it is anticipated that actions for personal injuries will be filed by the three Spangler children in the near future.

The postponement was asked to permit all of the eight cases to be tried together since they all cover the same set of facts.

Girl Scout News

Girl Scout Troop 36 met at St. James Lutheran Church Monday afternoon with 11 girls and three leaders present. Mrs. W. E. Jordan and Mrs. Paul Glenn, trained nurses, showed the girls how to make and use different types of bandages for their first aid badge. Leaders present were Mrs. James Allison, Mrs. Kenneth Hull and senior aide Beth Hewetson.

Girl Scout Troop 22 met at Christ Lutheran Church Monday afternoon with leaders Mrs. William Musser and Mrs. James Martin. Plans were made for a Family Night covered dish to be held on February 20. Work on the hospitality badge included a table setting demonstration by Mr. and Mrs. Charles Weaver.

RHODES QUIZ WAS ON GRID

PHILADELPHIA (AP) — The young man sat there. His face was a long-chinned mask of solemnity as he listened to the seaker call him the "All-American of All-Americans."

Then Army's fabulous All-American Pete Dawkins arose to accept the Maxwell Award as the nation's outstanding college football player of 1958.

The speedy halfback is Army's all-arounder—athlete, choir singer, class president, cadet commander — and an eloquent speaker, too.

He said the extensive grip of football on the public was impressed upon him when he appeared before a committee of "cobwebby intellectuals" who exhorted him for a Rhodes scholarship which he was awarded.

"I brush up on my Plato and Keats and on the American economic system — questions I was sure they'd ask me," Dawkins related.

"And what did they ask?" he added. "The first thing was 'how did the lonely end get his signals?' I thought my chances were down when I declined to tell them, but I managed to make the grade."

of St. Paul's Church were discussed at a meeting of the general committee of the Loyalty Sunday School Class, held this afternoon at the home of the class president, Mrs. John H. Riley, near town. The banquet will be served by the class on Saturday, February 7, at 6:30 p.m. in the church social hall.

Plan Advertising
A copy was shown of the New York Times for January 12 containing an advertisement paid for by the Chamber of Commerce promoting Gettysburg as a site for more industry.

President Estep and Charles Bender were appointed as a committee to meet with Carl A. Baum, advertising director of The Gettysburg Times, to arrange for a regular series of advertisements by the Chamber "promoting ideas, suggesting ideas, and asking the public's opinion on various ideas."

TOP SYMPHONY

(Continued From Page 1)
years with the Philadelphia Orchestra, first as concertmaster and later as associate conductor. Music lovers detect an air about the New Orleans orchestra that is reminiscent of the Philadelphia Orchestra.

Three years ago, when the New Orleans Orchestra was celebrating its 20th anniversary, it was chosen by the State Department to tour Latin America where it was enthusiastically received.

Because he is a master teacher and musician, Maestro Hilsberg has attracted talented musicians from all over the country to play in the orchestra. For several years he headed the orchestra department at the Curtis Institute, Philadelphia, and some of his former pupils are among the orchestra's personnel today.

Hilsberg is credited with sparking the meteoric rise of the New Orleans Philharmonic to its present high place among the nation's orchestras.

Not only is the orchestra receiving acclaim in its tours, it is growing in popularity at home. And it has expanded its activities. In 1954 it began a special university series in which the orchestra plays four concerts each season on the campus of Tulane University for the faculty and students.

Also in 1954 the orchestra's chamber music subscription concerts proved so popular and were so well received that through a grant from the Musicians Trust Fund, the women's committee of the symphony was able to set up a series of six free chamber music concerts.

The orchestra plays weekly concerts which are beamed statewide to the classrooms in Louisiana where they are heard by a half million school children. In addition, the orchestra features a series of concerts for little children, aged 6 to 12, which continue to play to sold-out houses.

Pro-Gridders To Seek More Money

PHILADELPHIA (AP) — The National Football League Players Assn. hints it may ask owners for a percentage of television and radio receipts to establish an insurance and pension fund.

This was indicated Monday by the president of the association, Bill Howton of the Green Bay Packers. The group opens a two-day meeting Wednesday.

"The players intend to press for benefits," said Howton. "We've been trying for the past year to get an accident, health and hospital plan with various pension benefits."

He wouldn't say what percentage of receipts the players might ask

Charter Lions At Anniversary

Four of the five charter members of the local Lions Club who continue as members of the club today are pictured above at their special table at the club's 35th anniversary banquet Monday evening at the Hotel Gettysburg. They are, left to right, Fred S. Faber, Roy W. Wentz, Arthur E. Hutchison and C. Ross Shuman. The absentee is J. Milton Bender. All are former presidents of the club and each received a 35-year Monarch award Monday evening.

News From Nearby Counties

CUMBERLAND COUNTY

Carlisle residents who noticed a discoloration in their water supply were assured by Borough Manager Jack Carter that there is "no cause for alarm" as the color is from "leaf stain" which does not disappear in the treatment process. He said the water is safe for drinking.

Six of the 12 box alarms answered by the Carlisle Fire Department in 1958 were false, Fire Chief Ray E. Kelly reported. He said loss from fire for the year was \$51,830. Firemen also responded to 121 telephone alarms.

FRANKLIN COUNTY

The Cabbage Patch Tavern in Chambersburg was burglarized of five bottles of whiskey and about \$75 after the operator, Mrs. Hazel McCune, accidentally left the keys in the lock Sunday in closing the taproom.

Melvin Leroy Neil, 28, Dry Run, and Donald Clair Miller, 17, Concord, waived preliminary hearing when arraigned on charges of involuntary manslaughter filed by state police.

Both men gave bond in the sum of \$1,000 for the next term of Franklin County court.

Neil and Miller were involved in an automobile collision November 23. Neil's children, Arlene, 2½, and Robert, three months, were fatally injured.

WASHINGTON COUNTY

Washington County sheriff's officers are investigating the breaking and entering of the Funkstown American Legion over the weekend and the theft of over \$200. A deputy said a window was forced open on the second floor. A tire iron and a pick had been used on the doors of the building, he said.

YORK COUNTY

Terrence Kiger, 24, York, who pleaded guilty Monday in York County court to 16 charges of burglary, larceny and receiving stolen goods, one charge of failing to stop at the scene of an accident and reveal his identity, and a charge of attempted armed robbery, was sent to the Eastern State Penitentiary to serve from three and one-half to seven years.

A companion of Kiger, Richard E. Jacoby, 19, York R. 4, pleaded guilty to seven charges of burglary, larceny and receiving stolen goods and was sent to White Hill Industrial School.

York County property owners received more than \$3 million of the \$27 million paid by the state in 1958 in connection with claims for land taken in highway construction, the largest amount for any county in the state.

BAYLOR SIGNS JOHN BRIDGERS

WACO, Tex. (AP)—John Bridgers, a husky Sunday School teacher, will bring his outstanding defensive abilities as medicine in an effort to doctor Baylor's puny football standing.

The defensive line coach of the professional Baltimore Colts was announced as the new head coach and athletic director Monday.

Dave Nelson, head coach at University of Delaware, turned the job down. He visited here last week and promised an answer Monday. It came as a regretful no, and Baylor officials almost immediately announced Bridgers' appointment.

For the past two years the Bars finished in the Southwest Conference football cellar under Coach Sam Boyd. Both Boyd and Athletic Director George Sauer resigned late last year.

DELONE DATE CHANGED

Announcement was made today the Delone-St. Edwards of Shamokin basketball game will be played at McSherrystown Monday, February 9, instead of February 10 as originally scheduled.

Man Expires After Beating By 2 Men

LEWISBURG, Pa. (AP)—A retired Allenwood man died Monday night after he was beaten by two men at his home. The intruders fled.

Coroner Harry T. Beck identified the victim as Ralph William Koch, 70, who lived alone at his Allenwood R. 1 home, about 16 miles north of Lewisburg.

Koch telephoned a neighbor for help. The neighbor called Dr. William N. Martin of nearby Milton but Koch was dead when he arrived shortly after 11 p.m.

GIVEN MEDALS

WASHINGTON (AP)—Wernher von Braun, German-born missile expert, and four other civilian government employees were presented gold medals by President Eisenhower today for distinguished service to the United States.

In addition to Von Braun, the medals were presented at a White House ceremony to:

James V. Bennett, director of the Bureau of Prisons; Robert D. Murphy, deputy undersecretary of state for political affairs; Doyle L. Northrup, technical director of the Air Force's Special Weapons Squadron, and Hazel K. Stiebeling, director of the Agriculture Department's Institute of Home Economics.

LANCASTER LIVESTOCK

LANCASTER, Pa. (AP)—Cattle 300. Medium and good feeder steers 24.50-26.50, medium and good stocker steers 25.00-27.75. Calves, hogs and sheep 0, no market.

Want to fancy up those ham-burgers? Make the meat patties thin and sandwich them together, in pairs, with a filling of cheese, chopped canned mushrooms or anchovies and green olives.

JERSEY PLANS PHILS STADIUM

TRENTON, N. J. (AP) — The New Jersey Senate has put out the welcome mat for the Philadelphia Phillies.

A bill dangling a proposed 60,000-seat stadium before the Phill was passed by the Senate Monday. It would allow Camden County to set up an authority to build the stadium near Garden State P Race Track. Estimated cost of the stadium is eight million dollars.

Sen. Joseph W. Cowgill (D—Camden) sponsored the bill. It allows counties to set up the kind of authorities proposed for the stadium project.

The bill was amended after critics claimed it was too broad. The amendment requires the approval of the county boards of Freeholders before the authority could undertake a project.

The bill passed 15-1, with Sen. William E. Ozzard (R—Somerset) entering the negative vote. He said the bill was too broad.

Sen. Frank S. Farley (R—Atlantic), who co-sponsored the bill, said people in South Jersey are anxious to have the Phillies make the move across the Delaware River.

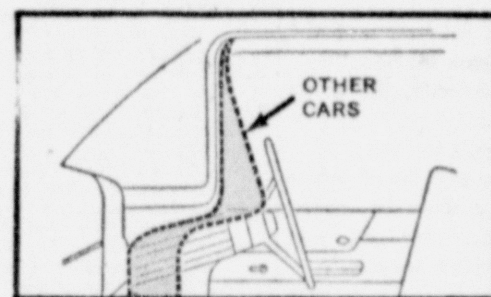

The bill was sent to the Assembly.

WASHINGTON (AP)—President Eisenhower today nominated Julian H. Zimmerman of Wichita, Kan., to be federal housing commissioner.

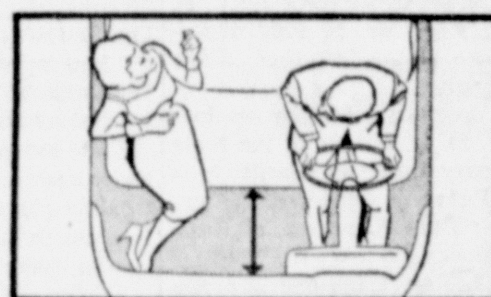

Zimmerman now is general counsel of the Housing and Home Finance Agency, over-all agency for five housing units.

He was named to succeed Norman P. Mason, recently nominated to the top housing post as administrator of the Housing and Home Finance Administration.

ONLY CAR IN FIELD THAT'S EASY ON KNEES. While other cars still have knee-whacking corner posts, Mercury's are pulled back. Doors have 2" more clearance overhead. You step in without hitting your knees or head.

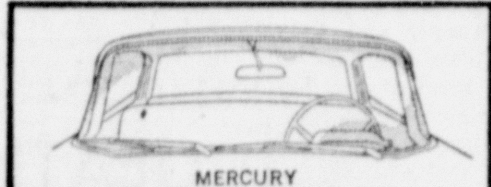

ROOMIEST FRONT SEAT IN FIELD...9" MORE KNEE ROOM. Just look at the difference up front! Now you six-footers can stretch out and relax, cross and uncross your legs as freely as you would in your living room easychair.

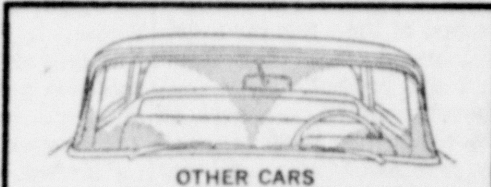

WIDEST DOOR OPENINGS IN FIELD BY UP TO 6". Getting into other new cars is quite a struggle—but Mercury makes it easy. Not only are the door openings broader—the doorills are narrower. Even tight-skirted ladies can step in and out gracefully.

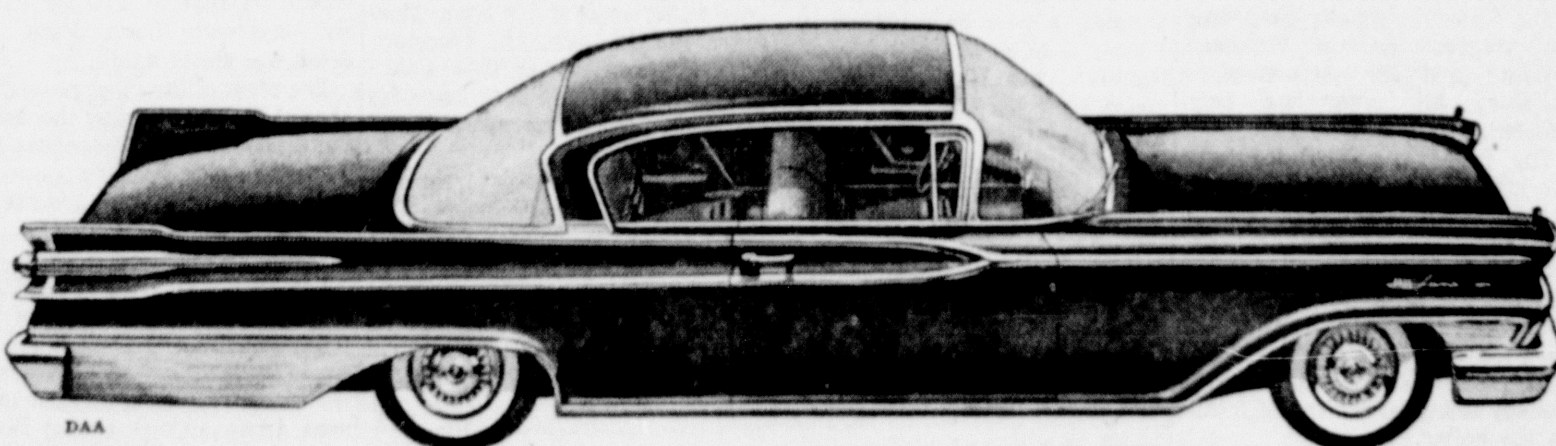

ONLY CAR IN FIELD TO REMEMBER THE MIDDLE MAN. Center-seat passengers in a Mercury don't "ride the center hump" with their knees around their chins (as they must in other cars). Mercury whittled the hump in half for more foot room and seat cushioning.

ONLY WIPERS IN THE INDUSTRY THAT CLEAR A 5-FOOT SPAN—including the center. Wiper patterns overlap, clear even the center of the windshield where wipers of other cars don't. Speed and width of the sweep can be adjusted to weather conditions.

EXCLUSIVE STYLING—ONLY CAR IN FIELD THAT DOES NOT SHARE ITS BODY. Every other car in the field uses the same basic body as a smaller, low-price car. Only Mercury has exclusive style—true 6-passenger room.

FIFTY YEARS AGO

Basketball: Gettysburg A. C.
Opened their season here last
night by defeating Frederick
Y.M.C.A. 20-5 in a loosely played
and uninteresting game.While the whole Gettysburg
team played a good hard game,
the work of Sachs and McCar-
ney at guards deserves mention-
ing.The attendance on the part of
the town people was very discour-
aging. How can Gettysburg ex-
pect to have athletic teams if they
will not give them their support?
Sixty per cent of the attendance
were students. We hope when the
next home game is played, which
will be shortly, the town people
will wake up and give the team
good, hearty support. The Get-
tysburg team included Huber and
Singmaster forwards, Bream cen-
ter and McCarney and Sachs,
guards.Institute Held At New Oxford:
The first session of the Farmers
Institute was called by the Coun-
ty Chairman A. I. Weidner at
Arendtsville at 1:30 p.m. January
18. The opening prayer was of-
fered by the Rev. George N. Lau-
fer. Address of welcome by C. K.
Yeager Esq. Mr. S. Paul Wood-
man, one of the lecturers, made
the response.The instructors for the sessions
are Dr. M. E. Conrad of the State
Veterinary Board in charge, Miss
A. C. Baker of Chaddsford, Ches-
ter Co.; Paul Woodman, of Rush-
land, Bucks Co.; W. H. Wolff, of
West Chester. Each one is a spe-
cialist in the particular line of
work which they take up.At the evening session Dr. Con-
rad opened with an illustrated lec-
ture on some of the common
causes of lameness in horses. He
showed clearly that the cause of
by far the larger number of
cases of lameness in horses lay
below the knee in the front legs.He said the right time to pre-
vent a large portion of lameness
was one year previous to the birth
of the colt by careful selection
of parents sound and with good
legs.Local News Happenings: Wil-
liam Sipes, the 14-year-old boy of
Remer Sipes, the Keeper of the
upper toll gate near Polz, Frank-
lin county, shot and killed a large
female black bear.The banks yesterday were well
represented at their regular meet-
ing. All members of the three
banks were present.A shooting match was held at
Wm. McKenrick's, Buchanan Val-
ley, on last Saturday a week for
chickens. On last Saturday at Wm.
McKensick won 2 pigs, Edward Wood-
ward 1 and John E. Brady won 1 also.The snow is greatly retarding
the progress on the Wineman
building and the picture show
building. All work has been
stopped.The young people of the town
are enjoying the snow, the streets
are full of sleighs nearly all the
time.Several sleighing parties passed
through the town last evening on
their way to some friends' house
to have a pleasant time.The High School pupils had a
holiday today on account of a leak
in the boiler.Luther Getz has leased the
Mishler building on Chambers-
burg street and will open a clean-
ing, dyeing, pressing and repair-
ing establishment. The business
will be under the management of
Rufus Bushman of this place.A moving picture show has been
opened in York Springs three days
a week and will be conducted
by H. F. Smith and W. H. Har-
man of that place.It is said that the price of le-
mons will soar greatly in the near
future owing to the fact that the
portions of Italy destroyed by the
recent earthquakes are the
greatest lemon producing sections
in the world.Election: The Gettysburg Fire

Today's Talk

PLANTING THOUGHTS
One thing we know about
thoughts—if they are real thoughts
—is that they are bound to come
up if planted.So often these thoughts are
planted in our brain, nourished
there as a baby on the breast of
its mother. And then, when fully
developed, they are given light,
or perhaps I should say—life.
Sometimes we plant these
thoughts in other people's minds,
in soil more fertile than our own;
they then find fruition and are
again scattered to carry on the
endless journey of all thoughts.
The mind grows rich from its
thoughts, if they are rich thoughts
in themselves. How very wonder-
ful to spend a period with a friend
and to tap his thoughts. A gentle-
man recently called at my office.
I thought the interview would be
over in a few minutes but it lasted
hours. My caller had brought with
him a great store of thoughts that
could not part with him until I
had listened upon his experiences.If we can plant our thoughts
so well in others that they con-
sider them worth cultivating, then
we have given something of
unique and lasting value.Find out what a person thinks
about and you have the clue to
his entire character.What a wealth of thoughts have
been planted in the great books
of the world! What fun it is to
hunt them out and have them as
our own for a little while. I al-
ways like to speculate on the mood
of the one who has given me a
lovely thought.Thinking is the greatest art in
the world. Most of us are very
poor artists in thinking. But there
is no greater art to pursue. And
there is nothing that makes this
art endure so surely as to plant
your thoughts, as they come, in
fertile soil.Tomorrow Mr. Adams will talk
on the subject "Emergencies"

Just Folks

TWO VIEWS

He listened to a famous man
And heard the people cheer.
He saw them scheme and plot
And plan
His presence to get near.
He saw them smile who'd grasp
his hand
As though great joy was
theirs,
And then thought he: "It must be
grand
To lead in state affairs."The famous man got home at six,
And bolted down his tea,
Then cried: "Good wife, my dress
shirt fix,
Get out my suit for me;
Have handy, too, my tie of white
And place my shoes in reach;
I've got to hurry out tonight
To make another speech.""I wish that I could live unknown,
Save only to the few;
I'd give 'most everything I own
To stay at home with you.
My cup of joy would overflow
And men who cheer I'd mock,
If only some night I could go
To bed at ten o'clock."Presented, 1959, by The George

COMMITTEES

WASHINGTON (AP)—The Sen-
ate's 34 Republican members go
behind closed doors today in an
effort to settle their scramble for
seats on choice Senate commit-
tees.They also faced a possible effort
by an insurgent GOP liberal
group to block the election of Sen.
Barry Goldwater of Arizona as
chairman of the Republican Sena-
torial Campaign Committee.Sen. John Sherman Cooper (R-
Ky.) has suggested that, because
of Goldwater's long running feud
with some labor union officials,
naming him head of that commit-
tee would invite a charge that
the GOP is anti-labor.Goldwater contends he is not
anti-labor and that liberals are
trying to "stifle the voice of the

WEST BERLIN

MAYOR TO GET
BIG WELCOMEBy WILLIAM L. RYAN
NEW YORK (AP)—American
business leaders are organizing a
hero's welcome for West Berlin
Mayor Willy Brandt. The aim is
to offset the propaganda impact
of Soviet Dep. Premier Anastas I.
Mikoyan's spectacular tour of the
United States.The State Department, too, is
likely to go out of its way to make
significant gestures to Brandt.Brandt, symbol of an encircled
city's defiance of Soviet commu-
nism, is expected to arrive in the
United States by air Feb. 7. Re-
ceptions are calculated to demoli-
sh any notion that U.S. business
might be willing to sell out Berlin
for the sake of trading with the
Communists.Nervous Tension
The intention appears to be to
disabuse both the Soviets and
Western Europeans of any idea
that courtesies extended to Mi-
koyan represented lack of support
for a firm American policy, about
Berlin.Talk from Mikoyan of the pos-
sibility of a new approach to East-
West differences has made the
West Berliners and many in West-
ern Europe nervous.Brandt is expected, after a brief
stop in New York, to go directly
to Washington. Brandt, apart from
a round of press and television in-
terviews, is expected to speak be-
fore the Pan American Union, the
War College and the National
Press Club.Other Welcomes
He will return to New York Feb.
10 for a visit to the United Na-
tions. He will be the guest of May-
or Robert F. Wagner at a recep-
tion the same day and in the eve-
ning is expected to address the
Council on Foreign Relations. He
also will address 2,000 business
and community leaders at a luncheon
Feb. 11.From New York, Brandt will go
to Springfield, Ill., to make a Lin-
coln Day address Feb. 12. From
there he goes to Los Angeles, ar-
riving Feb. 13. He leaves Feb. 15
for home by way of Japan, In-
donesia and India.A wet belt extended from south-
ern Missouri and northern Arkan-
sas across Tennessee and the Ohio
Valley. Snow and rain and freez-
ing rain created hazardous driv-
ing conditions.A general warming trend was
reported in the Gulf and Atlantic
Coast states although it was chilly
again this morning in parts of
northern Florida with tempera-
tures dropping into the 30s.

World Briefs

OSLO, Norway (AP)—Norway
is gravely concerned about Soviet
nuclear explosions in the arctic
which have produced strong radio-
active fallout on this country.
Foreign Minister Halvard Lange
said today.Lange told Parliament that
there is no reason to believe the
Soviet Union has failed to take
precautions but such varia-
bles as wind and weather "may
nevertheless result in accidents."

Washington Twp. Jr. High Here Tonight; Warriors Play At Mechanicsburg

A battle to escape last place in the South Penn Junior High School Basketball League will be played here tonight when the Gettysburg Braves clash with the Washington Township Bulldogs.

The Braves have an 0-4 mark and Washington Township is 0-3. The junior varsities will meet at 6:30.

Final games of the first half in the South Penn Senior High League will be played this evening, the Gettysburg High Warriors finishing at Mechanicsburg.

Tom Yost's Wildcats, a hot and cold team all season, have a 4-3 league record. Their victories include triumphs over Hershey, Hanover, Waynesboro and Middletown. Gettysburg's two league triumphs were at the expense of Hershey and Middletown.

Dave Fisher and Dick Rohrer are the only starters remaining from last year. Other lettermen are Tom Blosser, 6-2 and the tallest of the squad, and Dick Brandt. Top game in the league tonight will be the Waynesboro-Carlisle scrap at Carlisle. The Thundering Herd of Carlisle is unbeaten this year and holds a one-game margin over second-place Waynesboro. A victory for the Indians would create a first half tie and necessitate a playoff. Carlisle is expected to win handily.

Shippensburg plays at Hanover, and Middletown at Hershey in the other league games.

Interdivision game in the Adams-Franklin County League start this evening with the Adams County teams invading Franklin County.

Tonight's schedule follows: Biglerville at St. Thomas, Bermudian Joint at Fannett-Metal, Fairfield at Buchanan, Littlestown at Greencastle, New Oxford at Scotland, and Big Spring at Quincy.

Delone has a tough assignment tonight at McSherrystown where the Squires meet York Catholic in a Central Penn Catholic League game. York is 3-0 and tied with McDevitt for first place. The Squires have a 1-2 league mark.

In other games Lebanon plays at Lancaster and Shamokin at McDevitt.

KENTUCKY IS BACK ON TOP IN AP SURVEY

By ED WILKS

Once-beaten Kentucky is back atop The Associated Press weekly rankings today in a quick shuffle of the top four clubs.

The Wildcats (14-1) returned to the No. 1 ranking, following a week in the runner-up role, after North Carolina spilled erstwhile leader North Carolina State. That overtime success pushed North Carolina (10-1) from third to second, pulled Kansas State (13-1) up from fourth to third and plunked N. C. State (12-2) to fourth.

The rest of the top 10 lists Auburn (11-0), Cincinnati (10-2), St. John's (NY) (11-1), Michigan State (8-2), Bradley (11-2) and West Virginia (13-3) in that order. Balloting and records are based on games through last Saturday.

Narrow Margin

Kentucky's margin over North Carolina in the voting of 114 sports writers and broadcasters was a scant 11 points on a basis of 10 points for a first-place vote, nine for second, eight for third, etc. The Wildcats received 38 first place votes, just five more than the Tar Heels.

The rankings (first place votes in parentheses): 1. Kentucky (38) — 939; 2. North Carolina (33) — 928; 3. Kansas State (17) — 773; 4. North Carolina State (3) — 756; 5. Auburn (6) — 644; 6. Cincinnati (2) — 570; 7. St. John's (2) — 330; 8. Michigan State — 250; 9. Bradley — 206; 10. West Virginia (1) — 196.

The second 10: Mississippi State (6) 178; Marquette (2) 87; St. Bonaventure (3) 76; St. Louis (1) 50; Oklahoma City 46; Seattle 44; Portland 39; Northwestern 25; Villanova 24; Utah 22.

Bob Pettit Holds NBA Scoring Lead

NEW YORK (AP)—Bob Pettit of the St. Louis Hawks has managed to retain his National Basketball Assn. scoring lead.

The Hawk star is No. 1 in scoring with 1,196 points, an average of 28.5. League statistics released today show Pettit averaged only 22.8 points last week, lowering his mark from 29.1 a week ago.

Pettit's 28.5 a game pace still is slightly ahead of the record 28.4 set by Minneapolis' George Mikan in the 1950-51 season.

Paul Arizin of Philadelphia moved to within 128 points of Pettit with 1,068 points and a 25.4 mark. Close behind are Cincinnati's Jack Twyman, 1,033 and 24.0, and rookie Elgin Baylor of Minneapolis, 1,005 and 23.4.

MINNESOTA'S GOPHERS BEAT NORTHWESTN

By BEN OLAN

Associated Press Sports Writer Minnesota's Golden Gophers, who haven't won a Big Ten basketball title in 22 years, are showing the other conference teams they mean business.

Monday night, the Gophers knocked off Northwestern, a pre-season favorite, 71-67 to move into a four-way tie for first place. Minnesota shares the lead with Michigan State, Illinois and Michigan. Each has won three games and lost one.

Michigan State, ranked eighth in the latest Associated Press poll, whipped Ohio State 92-77 in another game on a schedule cut to the bone by mid-year examinations.

Baylor Wins

In other games Baylor defeated Texas 62-51, Colorado beat Iowa State 73-64, the Citadel turned back Clemson 55-44, Georgia nipped Florida State 94-91 and Gonzaga jarred 17th-ranked Portland 75-48.

Paul Lehman pumped in 16 of his 22 points for Minnesota in the first half as the Gophers forged ahead 43-38. Northwestern tied the score early in the second half but Minnesota pulled away for good with a 15-8 surge. Willie Jones had 24 points for Northwestern.

Michigan State never was headed after hitting four straight baskets to take the lead at 26-20. John Green had 26 points for the Spartans before Coach Fordy Anderson pulled him midway in the second half. Larry Siegfried led Ohio State with 20.

Tie Broken

Baylor's victory enabled it to break a tie for second place in the Southwest Conference. Texas Christian leads with 4-1.

Russ Lind helped propel Colorado from a 35-31 halftime deficit. The Colorado triumph enabled the Buffaloes to tie Oklahoma, Kansas and Nebraska for second place in the Big Eight at 3-1. Kansas State is tops with 4-0.

The Citadel won its eighth game of the season against two losses. A superlative team effort by Georgia overcame the prolific scoring of Florida State's Hugh Durham and Donnie Bates. Durham had 36 points and Bates 34.

Geoffrion's LEAD SHAVED

MONTREAL (AP)—Montreal's Bernie (Boom Boom) Geoffrion, who hasn't scored a goal in 10 games, today found himself with only a one-point lead over New York's Andy Bathgate in the National Hockey League scoring race.

Geoffrion, who has been blanked since Dec. 27, accounted for three assists last week to raise his league-leading total to 54 points. Bathgate went on a five-point spurge, counting two goals and three assists, and closed in with 53 points.

The Canadiens' star has 19 goals and 35 assists. Bathgate heads the goal scorers with 25 and has added 25 assists, league statistics released today show.

Pressing the leaders are Detroit's Gordie Howe and Chicago's Eddie Litzenberger with 47 and 46 points, respectively. Last year's scoring champ, Dickie Moore of Montreal, holds fifth place with 42 points.

Montreal goalie Jacques Plante leads the netminders. He has allowed 86 goals, a low of 2.00 a game. Runner-up Terry Sawchuk of Detroit is well back with a 2.79 mark.

BENNY PARET WINS HIS 5TH

By MURRAY ROSE

Associated Press Sports Writer NEW YORK (AP)—New York's sports-happy, Latin-American set leads another fighter to cheer about today in fast-punching Benny (Kid) Paret of Cuba.

The always busy 21-year-old racked up his fifth straight victory in the United States by whipping hand-injured Victor Zalazar in a 10-rounder at St. Nicholas Arena.

Benny throws leather quick and often, is fast afoot and apparently can take a punch well.

Second In Row

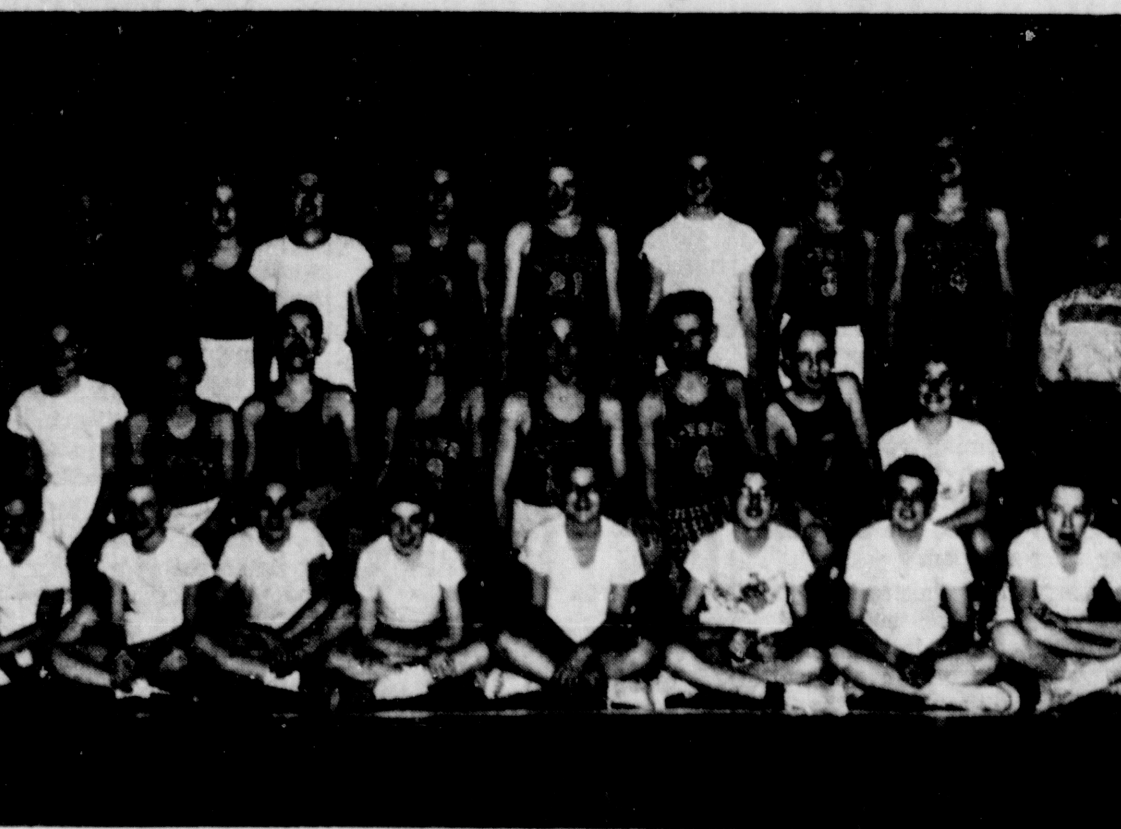

A pro 3½ years, Paret's record is 27-2-1. Benny's victory over Zalazar was his second in a row over the 6-foot, 23-year-old Argentine. A month ago he won a split decision at St. Nick's in ending Zalazar's 15-0 record, all knockouts.

Monday night the kid was awarded a unanimous decision after a rousing scrap.

Zalazar, however, was handicapped by a swollen, and possibly broken right hand, from the second round on after he hit Paret on the top of the head.

Ordinary exhaust pipes on trucks seldom last for more than 40,000 miles.

TIEFENAUER LOOKS GOOD FOR INDIANS

By JOE REICHLER

NEW YORK (AP)—Those who have been criticizing Frank Lane for trading Cleveland's relief ace Ray Narleski and Don Mossi are advised to hold off judgment until they get a chance to see Bob Tiefenauer in action.

Tiefenauer, one of the 14 rookies who will report to the Indians' training camp in Tucson, Ariz., next month, could make Cleveland fans forget Narleski and Mossi. Based on his minor league record, the 29-year-old relief specialist might possibly develop into a bullpen beauty.

A former member of the St. Louis Cardinals, Tiefenauer enjoyed a phenomenal season at Toronto last year. Depending solely upon a knuckleball during his first big-league trial, Bo became up to a sinker pitch last year. As a result, he was almost impossible to hit, especially in the clutch.

A native of Desloge, Mo., he won 17 while losing five for the Maple Leafs. He appeared in 64 games, all in relief and finished 52 of them. He struck out 105, walked only 49 and held a 1.89 earned run average.

Another standout newcomer is Earl Averill Jr., son of the former major league star. Averill, of the Pacific Coast League's most valuable player in 1958, returns for another shot with a .347 batting average, 24 home runs and 87 runs batted in with the San Diego club. He is listed as a third baseman in at home almost anywhere on the diamond.

Few of the other newcomers are given much of a chance to stick although they are strongly recommended by their minor league averages. Three outfielders — Dale Benatch, Don Dillard and Rod Graber — have a combined total of 53 home runs.

Ray Webster, a 21-year-old shortstop draftee from Sacramento, hit .244. He is regarded as a fine defensive player.

Manager Joe Gordon will inspect seven new pitchers besides Tiefenauer. The baby of the group, and possibly the best, is 23-year-old Dick Stigman, who posted a 15-7 mark at Mobile. Right-hander Charles Kolakowski was 10-10 and left-hander Wilbur Striker was 17-12 with the same club.

Bobo Olson Makes Payment On Taxes

SAN FRANCISCO (AP)—Carl (Bobo) Olson, the former middle-weight boxing champ, made a \$128,920 tax settlement with the government Monday, but still owes \$53,200.

And the Hawaiian-born fighter whose gate receipts topped 1½ million dollars has nothing in the kitty.

His attorney, Howard E. Ellis, told Olson after he had paid the Internal Revenue Service the \$128,920 that he had no money left from a trust fund established five years ago by Sid Flaherty, his former manager.

Penn State Nine Open With Buntlets

UNIVERSITY PARK, Pa. — Penn State will play 21 baseball games this year, according to the schedule released today by athletic director Ernest B. McCoy.

Coach Joe Bedenk will open his 29th campaign at home against Gettysburg on April 8. Eleven home games and 10 road tests will follow.

Penn State won 14 of 19 contests last season, and was eliminated by Lafayette in the opening round of District II tournament play.

The 1959 schedule: April 8, Gettysburg; 10, at Rutgers; 11, at Lafayette; 14, Bucknell; 17, Ohio State; 18, Ohio State (2); 22, at Bucknell; 25, Georgetown (2); 29, Villanova; May 2, Pennsylvania; 5, at Navy; 8, at Colgate; 9, at Syracuse (2); 13, Lehigh; 16, at West Virginia; 20, Pittsburgh (2); 22, at Temple.

Red Objections Defer Drawings

SANTIAGO, Chile (AP)—Objections raised by the Soviet Union and Bulgaria have postponed the drawings for the championship round of the World Amateur Basketball Tournament. The Communist countries are opposed to playing against Nationalist China.

The United States, Chile, Brazil and Puerto Rico are the other nations entered. They qualified for the finals in three-day elimination rounds that ended Sunday.

The Russian delegation said it was calling Moscow for instructions. There were indications the draw would not be conducted until a reply was received.

Give Up Hope For Missing Baby, 3

LEBANON, Mo. (AP)—Weary searchers have almost given up hope that 3-year-old Willard Eugene Jones Jr. is alive.

The boy wandered off into dense Ozark timber around his farm home Saturday afternoon. The temperature dropped to 19 degrees that night.

Sheriff Neil Brown called off the organized search temporarily Monday night. But determined volunteers, including 500 soldiers from nearby Ft. Leonard Wood, were to make another effort to find, despite forecasts of freezing rain and snow.

The parents, Mr. and Mrs. Willard Jones Sr., and their eight other children have stayed close to the home, waiting for word.

ROOKIE LEADS HOCKEY SCORES

NEW YORK (AP)—Cleveland rookie Art Stratton has taken over the American Hockey League's scoring lead from Ken Schinkel of Springfield, the pacesetter for the last 12 weeks.

League statistics released today show the Barons' first-year man scored three points last week to one for Schinkel to take a one-point edge in their duel.

Stratton has scored 22 goals and added 36 assists for 58 points. Schinkel's total was built on a league-leading 28 goals and 29 assists. Stratton and Springfield's Harry Pidhurny are tied for the No. 1 spot in assists.

Another rookie, Rochester's Bill Hicke, is third in scoring with 53 points, one more than Bill Sweeney of Buffalo.

Hershey's Bobby Perreault displaced Marcel Paille of Buffalo as the leading goalie with an average of 2.66 goals allowed a game. Paille, who has led all season, dropped to second with a 2.68 mark.

GREEN BAY, Wis. (AP)—The Green Bay Packers will be minus a head coach when the National Football League resumes its player draft in Philadelphia Wednesday.

"We've tried but there is absolutely no chance we'll have a coach by then," Club President Dominic Olejniczak said Monday. He said Chief Scout Jack Vainisi would direct the Green Bay draft.

ST. LOUIS (AP)—The 1934 St. Louis Cardinal "Gas House Gang" National League and world champions, were honored at a Baseball Writers of America Assn. banquet here Monday night as "the most colorful team to ever represent this city."

The banquet was in observation of the silver anniversary of the gang. During the speaking, Ken Boyer, present third baseman of the Cards, announced that he had signed a new contract.

HARRISBURG (AP)—Pari-mutuel betting on harness horse racing under the supervision of a state commission was studied by a House committee today.

Rops. Samuel W. Frank (D-Lehigh) and Laurence C. Machmer (D-Berks) submitted the proposal Monday in twin bills that would earmark 10 per cent of the money bet at harness races for the state's General Fund.

The proposal would establish the "Pennsylvania Harness Racing Commission" whose members would be named by the governor.

COLAVITO GETS BOOST

CLEVELAND (AP)—Rock Colavito, counted on as the Cleveland Indians' major gate attraction, has just about doubled his salary.

The 25-year-old outfielder and General Manager Frank Lane got together Monday on a 1959 contract and settled for a figure somewhere between the \$27,000 and \$30,000, which would be approximately double the 1958 figure.

Shippensburg Teachers Hand Mt. St. Mary's 5 Surprise Setback 91-86

The sharpshooting of little Johnny Scott and fast-breaking enabled Shippensburg State Teachers College to squeeze out a 91-86 decision over Mount St. Mary's Monday evening on the Mount's court.

The loss was the Mount's ninth in 15 games while Shippensburg is sporting a 7-4 record for the season.

Coach Jim Phelan's outfit started the ball game with a wild flurry of scoring and led 23-10 after four minutes of play. The Marylanders tallied on the outside shooting of Jack Marshall, Ernie Cager and Jerry Savage while Jerry Bohlinger and Dick Talley worked under the board. During the same period of time the Red Raiders scored seven of their 11 points from the foul line.

Mount Holds Lead Galen Wyrick and Ted Woods landed a pair of shots from the corners while Don Thorn and Galen Linn dunked a couple of lay-ups to close the gap. For the remaining seven minutes each team alternated scoring in a nip-and-tuck battle. At the end of the first half the Mount was in front 46-38.

Scott was the man who made the difference for Coach Tom Crist's cagers as he began hitting on a variety of shots with most of them coming from under the basket. After 6:20 minutes had elapsed in the second half, Shippensburg trailed only 65-61. Marshall and Jack Gunn matched shots with Woods, Linn and Wyrick with Scott pumping in an extra two-pointers. The Mount called time out with 7:18 minutes showing on the score board clock as they led by a slim 72-71 advantage.

Teachers Close Gap At this stage it was anybody's contest and the score began to see-saw back and forth. Shippensburg finally picked up three goals on Jim Alter's and Don Thorn's lay-ups. With two minutes remaining in the game and Shippensburg leading 85-82, Cager landed a jump shot, but Alter came back with a pair of charity shots. Marshall then ripped the

boards on a pair of fouls while Woods made one to make the score 89-86 and the visitors still leading with 19 seconds to go. After the Mount missed an attempted jump shot, Scott was fouled on the buzzer and went on to make two free tosses.

Scott, Shippensburg's versatile scorer, turned in the outstanding performance of the game as he dunked nine field goals and 12 out of 18 fouls for 30 points. Ernie Cager, the Mount's top scorer, led the Emmitsburg cagers with 26 while teammate Jack Marshall hit for 23. Marshall is playing in place of the injured Bert Sheing.

On Wednesday, the Mount will travel to Loretto, Pa., to meet a tough St. Francis outfit.

DENY USW AD AIMED TO HELP ON CONTRACTS

PITTSBURGH (AP) — The United Steelworkers says its nationwide newspaper advertising campaign is aimed at boosting the nation's economy and providing more jobs for union members.

A USW spokesman said the advertisement, which started Monday in newspapers at "vital spots" across the country, is the first of a 13-part series.

The spokesman said the campaign is keyed to the theme "The more you earn... the more you buy."

In Form Of Memo
He denied it had anything to do with upcoming contract negotiations between the union and the steel industry.

The advertisement is in the form of a memo to major auto manufacturers. It proclaims "here is our '59 model!'"

A shrouded auto and a steelworker holding a large placard with the words "Contract, United Steelworkers of America," make up the illustration.

The phrase "One billion dollars in new money for your automobile dealers and you!" is beneath the drawing.

Ad's Message

The advertisement copy states: "Automobile manufacturers must realize now that their profits come only from people. New ideas, new styling, new models in the automobile industry don't mean a thing unless the people... a lot of people... are financially able to buy a new car."

"1,250,000 steelworkers will soon negotiate their 1959 wage con-

Lawrence Quotes King Edward I

HARRISBURG (AP) — Words spoken 664 years ago were recalled by Gov. Lawrence in his inaugural address today to express his own tax philosophy. As Lawrence, put it:

"I read the other day, translated into modern English, the call for the first true parliament to meet in England..."

"The king who issued the call was Edward I. The time was 1295. The subject was the kingdom's need for money."

"And King Edward, addressing his nobles and commons, said to them of taxes: 'What touches all should be approved by all.'"

"... I hope we can achieve, hard as it is to do, a Pennsylvania tax program that will be fashioned on the basis of 'What touches all should be approved by all.'"

D. LAWRENCE GIVES PLEDGE TO PA. PEOPLE

HARRISBURG (AP)—Gov. David L. Lawrence gave this personal pledge to the people of Pennsylvania today in his inaugural address:

"As governor, I will be free of all obligations except those of my oath and of my conscience."

"I will be loyal to my party, yet I will never put party above the Commonwealth."

"I will be grateful to my friends, yet I will never allow friendship to trespass against the state's best service."

To Use Every Resource

"I will be ambitious for Pennsylvania's future; the more so, because I have no political ambitions of my own."

"It is a great honor to be governor of Pennsylvania, but the honor becomes a lonely symbol—an empty matter of portraits and ceremony—if the governor does not use his office for effective leadership of the Commonwealth."

"As it may be given me, I will use every resource, every ounce of strength that lies in this great office, for the advancement of Pennsylvania and its people."

STATE CLOSES MORE SCHOOLS

HARRISBURG (AP) — Seven more Pennsylvania schools were ordered closed by the State Labor and Industry Department in new steps to eliminate what the department described as fire and other hazards.

The closing of the schools or parts of the schools was ordered Monday by the department's Inspection Bureau, bringing to 73 the number of school buildings judged

unsafe by the bureau.

In each case, the department said, the school officials were given sufficient time to appeal the bureau action before the State Industrial Board, which meets here starting Thursday.

Given the closing order pending appeal were:

Old Cleona Elementary School, Cleona; Pottsgrove Elementary School, Milton Area Joint Schools, close second floor; Grant Elementary School, Milton, close second floor; Pollock Elementary, Milton, close second floor; Elysburg High School, close second floor and cafeteria; St. Joseph's Parochial Grade School, Locust Gap, close second floor.

tract. How they do with their '59 model will almost certainly decide how you'll do with yours."

TRANSITION TO LAWRENCE WILL BE EASY

HARRISBURG (AP) — "There will be no shock of transition from a Leader to a Lawrence administration," Gov. David L. Lawrence said today in his inaugural address.

Outgoing Gov. George M. Leader, the incoming governor said, "did so much to recognize the problems of this state and did so much to prepare the implements for their solution."

"This last administration," Lawrence said, "was not afraid to blaze new trails—in economic development, in human welfare, in education, throughout the vast reach of the state's responsibilities."

Makes Promises

"This new administration will have all the advantages of the hard pioneering that has gone before it."

"We will have skilled administrators—good public officers trained in their work and sympathetic to our objectives."

"We will have the basic framework of useful legislation, which now must be financed and applied to achieve its full effectiveness."

"There will, of course, be new recommendations for legislation from the executive to the Legislature, but as I now see them, they will be specialized rather than general, filling gaps and increasing our effectiveness, rather than opening broad new areas of public action."

At the same time Reps. Mary A. Varallo (D-Phila.) and Clarence D. Bell (R-Delaware) gave bipartisan support for a legislative study of juvenile crime.

To Hold Hearings

The two proposed that a 10-member joint committee of the House and Senate be set up to conduct public hearings on the problem and report back to the General Assembly later this session.

The resolution noted newspaper stories indicating "an attitude prevalent among certain juvenile criminals of complete disregard for punitive provisions of the criminal laws of this Commonwealth..."

"... It is imperative that remedial steps be taken of a positive nature to stamp out this philosophy of juvenile criminals," it added.

City Troop, its uniforms and traditions dating back to colonial days when it served as escort for Gen. George Washington, will be honor guard for the governor and his lady at the ball.

When Gov. Lawrence escorts her through the arch of crossed sabers, Mrs. Lawrence will be wearing a gown of white peau de sole with bouffant skirt, brief sweep train and portrait neckline.

Mrs. George M. Leader stood at the edge of the spotlight during the inauguration as she watched her husband turn over the executive post which runs the billion-dollar-a-year business of the Commonwealth.

"Old-Fashioned Cook"

She chose a black taffeta, dress, black coat with mink collar and hat and black accessories for the occasion. Traditionally the outgoing governor and his wife do not attend the inaugural ball.

Mrs. Lawrence, who described herself as an old-fashioned cook, said she expects to do quite a bit of cooking in the historic old Executive Mansion.

Mrs. Lawrence said she planned to spend tonight in the mansion and have her two daughters, their husbands and children for dinner tomorrow.

The Lawrences plan to live in the downtown mansion during the cold weather, moving to the summer home at Indiantown Gap as soon as the weather warms.

Delinquency May Lead To Senate

INDIANAPOLIS, Ind. (AP)—An earnest young man circulated an open letter in the Indiana General Assembly Monday urging creation of a governor's youth council to help teen-agers.

He looked puzzled by the resulting hilarity.

The letter's punch line:

"The juvenile delinquent of today is the senator or representative of tomorrow."

WOULD MAKE JUVENILES' NAMES PUBLIC

HARRISBURG (AP)—Rep. John T. Walsh (D-Allegheny) proposes that the courts be required to give the names of juvenile delinquents to any newspaper requesting the information.

Two bills introduced by Rep. Walsh Monday also would require the courts to furnish the names and addresses of the parents of the juvenile offenders.

At the same time Reps. Mary A. Varallo (D-Phila.) and Clarence D. Bell (R-Delaware) gave bipartisan support for a legislative study of juvenile crime.

3 SUFFOCATED AS FIRE SWEEPS THROUGH HOME

LANSDALE, Pa. (AP)—A fast-spreading fire swept through a home in nearby Hatfield Twp. Wednesday suffocating two children and their young uncle.

The victims were 18-month-old James Walsh; his 6-month-old sister, Bernadette, and their 17-year-old uncle, Leo J. McCool Jr.

Leroy B. Rittenhouse, Lansdale fire chief, said the blaze apparently broke out in a heater shed in the rear of the two-story frame house.

Rittenhouse and other officials were investigating the cause and looking for clues that would indicate why it spread so fast.

The victims were the only ones in the house. Their bodies were found in a second-floor bedroom. The younger child was on a bed. The two others were huddled together near a window. McCool apparently had tried to save the children.

Overcome By Smoke

His brother, Joseph, 16, discovered the fire when he returned from school. He tried to break into the house, but was overcome by the dense smoke.

The children's mother, Mrs. Bernadette Walsh, 21, and her only other child, Michael, 3, were visiting friends nearby. Her husband, John, 25, was attending classes at Temple University in Philadelphia, where he is a part-time student.

The Walsh family had been living with Mrs. Walsh's parents, Mr. and Mrs. Leo J. McCool. They had planned to move into a new home at the end of the month.

MISSILES AND RESEARCH GET BUDGET BOOST

WASHINGTON (AP) — Missile weapons and space vehicles fly high in the budget proposed to Congress Monday for the year starting next July 1.

The Pentagon, in asking for a \$40,945,000,000 spending budget, said it would lay out 200 million dollars more for missile production and missile research than for the present year.

Small Plane Is Damaged Landing

GLENS FALLS, N. Y. (AP)—A small, single-engine plane was damaged slightly Monday in an emergency landing in a pasture two miles north of this city in northeastern New York.

The pilot, Charles Jesig, 27, of Newtown Square, Pa., was not injured.

Jesig said he was bound from Valley Forge, Pa., for St. Jovit, in Canada's Laurentian Mountains, for some skiing.

He had intended to land at Warren County airport nearby but became lost in a snow squall over Hudson Falls. The plane tipped up on landing and the propeller was broken.

separately, but President Eisenhower has said missile programs are costing nearly seven billion dollars this year.

Record Sum For AEC

In addition to defense spending, the newly created National Aeronautics and Space Administration would be given a 280-million-dollar spending budget, compared with 153 millions for this year.

Expenditures by the Atomic Energy Commission, Eisenhower told Congress, are expected to hit a record \$2,700,000,000 in fiscal 1960.

The budget does reflect one trend toward easing of tension in atomic armaments. The President said that in view of the American offer to suspend weapons tests, the budget contained no money for such tests.

The military budget of \$40,945,000,000 is 145 million dollars higher than estimated spending for the current year.

IKE BEGINS HIS SEVENTH YEAR AS PRESIDENT

WASHINGTON (AP)—President Eisenhower, 68, starts his seventh year in office today reportedly determined to keep the Democratic controlled Congress on the defensive if it balks at his program.

With half of his second four-year term behind him, the President scheduled no formal observance of this anniversary of his inauguration.

Topping his business calendar is a meeting with Republican congressional leaders for discussion of the administration's legislative proposals and the 77-billion-dollar spending program Eisenhower sent to the Capitol Monday.

Issues Warning

The budget for the fiscal year starting July 1 already has been criticized by Democrats — and some Republicans — as inadequate and unrealistic. Aides, said the President is ready to hit back at the critics.

In a statement for television and

missile costs will be abandonment of some older, outmoded weapons types.

Also, Eisenhower said, sufficient progress has been made on new weapons in development to permit elimination of some marginal weapons still being developed.

The manpower of the armed forces will be little changed at 2,520,000. It is the first year since the end of the Korean War that substantial cuts in military manpower have not been proposed.

Emergency Cash Being Considered

HARRISBURG (AP) — A proposal to provide almost 14 million dollars for state hospitals and other agencies running short of cash is under consideration in the House of Representatives.

House Democrats introduced the measure Monday and it immediately got approval from the House Appropriations Committee.

Republican leaders of the House, however, said they would need time to study the proposal along with several other deficiency bills before a final vote.

The Democrats originally scheduled the bill to reach a final vote Wednesday but went along with GOP members on the delaying action.

radio use, Eisenhower said failure of the government to live within its means would encourage inflation and diminish the value of every pay envelope.

It was a foregone conclusion Eisenhower would stress the same theme in his annual economic report to Congress today.

To Give Medals

In advance of dispatching that report, the President arranged to take part in the awarding of gold medals to missile expert Wernher von Braun and four other government employees being honored for distinguished public service.

Another ceremonial activity takes Eisenhower to the airport at midday to welcome Argentina's President Arturo Frondizi, arriving for a state visit.

Monday night Eisenhower and the first lady were hosts at a family dinner party marking the 70th birthday of the President's eldest brother, Edgar, a Tacoma, Wash., attorney.

HARVESTER CO. STRIKE ENDS; COST MILLIONS

CHICAGO (AP) — Most of the International Harvester Co. plants resumed operation Monday, marking the end of a 67-day strike by some 37,000 United Auto Workers against the big farm implement firm.

The union's rank and file members ratified a new three-year contract over the weekend, formally ending the long and costly strike. Seymour Kahan, international representative of the UAW's Harvester department, said the voting by members of 33 union locals showed about 90 per cent favored acceptance.

The contract agreement was first reached last Wednesday by negotiators for the company and union. On Friday the UAW Harvester Council, delegates from 33 locals at 15 Harvester plants and 10 depots and warehouses, approved it.

30 Locals Accept

Thirty UAW locals voted to accept the new pact and 3 rejected it. The 700 workers at the Rock Island, Ill., plant remained on strike. The 600 members of the East Moline, Ill., local rejected the pact but returned to work when a majority of locals ratified the agreement.

The strike, which started Nov. 13, resulted in wage losses estimated by company officials at 2 million dollars a week. UAW officials said about one million dollars a week was paid by the union in strike benefits.

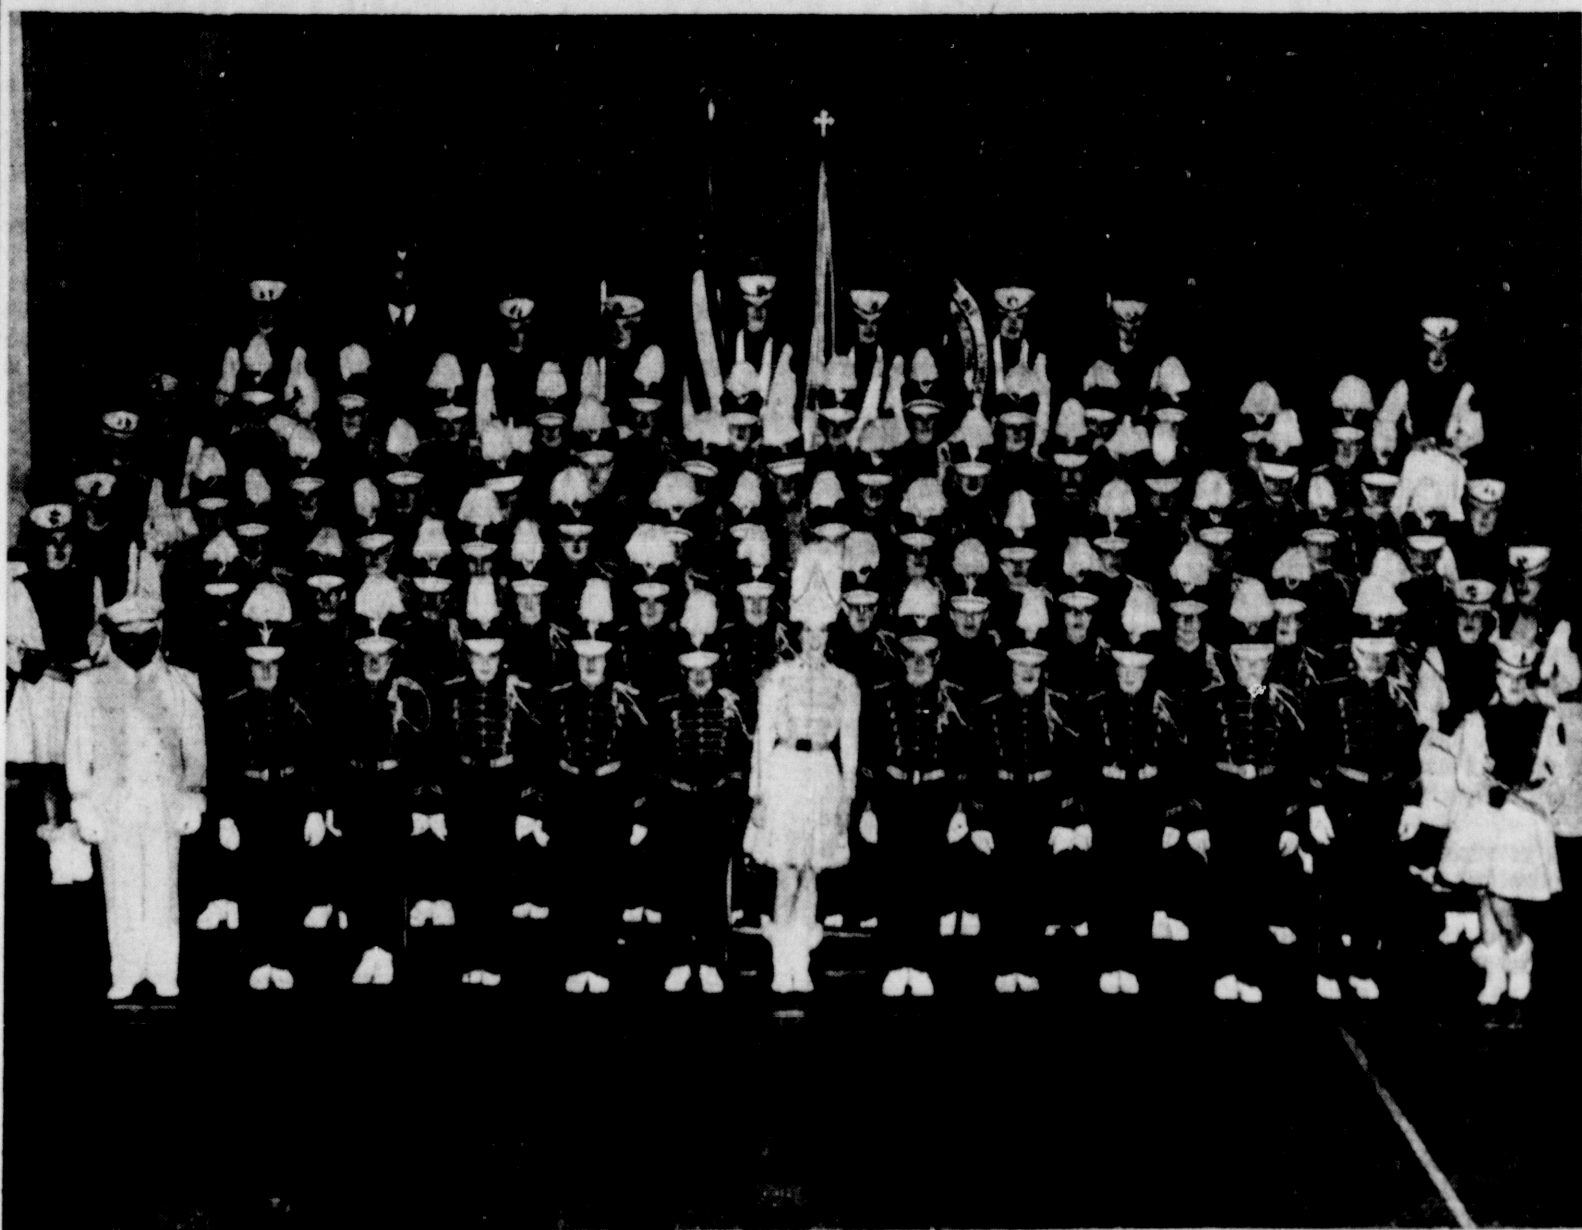

The new three-year contract calls for annual pay increases of 6 cents an hour or 2½ per cent, whichever is greater. The average wage under the old contract was \$2.55 an hour. New fringe benefits include a fourth week of vacation for workers with 25 years or more of service.

Predicts Several Russian Planets

MIAMI BEACH, Fla. (AP) — Missile expert Werner von Braun says we may "soon be surrounded by several planets flying the hammer and sickle flag" unless America matches the Soviet Union's space program.

The United States can not claim parity—no less superiority—in the space race, the director of Army missile development said today in a speech prepared for the General Contractors Assn. convention. Von Braun said although America has not matched the Communists in development of missiles and space rockets, the United States is moving toward that goal.

MILWAUKEE (AP) — Take it from a man who knows: The 16-foot vault and perhaps even the 17 will be common in a few years because of springier poles.

The Rev. Bob Richards, retired U.S. Olympic pole vault champion, said vaults of 16 feet would have been achieved much sooner if modern poles were available.

Teamsters Strike Is Short-Lived

PHILADELPHIA (AP) — An agreement was reached ending a five-hour teamsters strike that threatened to tie up food deliveries to most retail outlets in the metropolitan area.

The agreement provides a package 30 cents an hour wage increase spread over the three-year life of the contract.

The brief strike started Sunday midnight while negotiators for the teamsters and the food distributor continued to bargain.

The drivers usually begin daily deliveries to stores, restaurants, hotels, hospitals and schools about 2 a.m.

Worried city officials had been afraid that a strike of more than two days would have exhausted the stocks of most stores and would have worked a serious hardship.

Some 2,500 drivers and platform loaders belonging to six locals in Philadelphia, Camden, N.J., Chester and Norristown had voted Sunday to strike.

LANCASTER, Pa. (AP) — A three-car collision on Route 30 in nearby Salisbury Township claimed its second victim Monday.

Mrs. Zerva Frey, 52, of New Freedom, died in Lancaster General Hospital of multiple injuries suffered in Sunday's crash. Killed in the crash was Sandra Gordon, 18, of Stewartstown, York County.

NEW FOREIGN AID PROGRAM IS PRESENTED

WASHINGTON (AP) — A foreign aid program emphasizing more economic and less military assistance was offered to Congress Monday.

The over-all cost of foreign aid for the year starting next July 1 will drop from this year's level, President Eisenhower said in his budget message. But he asked a higher appropriation for the years ahead.

At the same time, he added, this country should help promote the economic stability and growth of less developed countries where want and suffering abound.

Total Is Down

Eisenhower asked \$3,930,000,000 in new foreign aid money, including \$1,600,000,000 in military aid. Actual spending during the year, he said, is estimated at \$3,496,000, including \$1,850,000,000 for military assistance. Much of the spending, especially for military aid, comes from funds appropriated in previous years.

The spending total is 333 million dollars less than the estimate for the current year. A drop of 462 millions in arms aid spending is partially offset by a 79 million increase in grants, loans and oth-

Find Accidental Death By Burning

LEWISTOWN, Pa. (AP) — Dr. Ralph E. Morgan, Mifflin County coroner, entered a finding of accidental death Monday in the death from burns and suffocation of an aged patient at Lewistown Hospital.

The patient, Mrs. Delsie D. Langham, 75, of nearby Burnham, had been placed in an oxygen tent, which caught fire Saturday night. She had been admitted earlier in the day for treatment of a heart condition.

Harry E. Sheaffer, Lewistown fire chief, said an investigation showed a partially consumed pack of matches on the bed and another pack in the woman's housecoat.

Sheaffer said the indications were that Mrs. Langham must have tried to strike a match and ignited the tent.

business profits, Eisenhower said, then—"A significant additional step in tax reduction and reform can be taken in the reasonably foreseeable future."

Talks To Union

More directly than in the past the President aimed his exhortation at unions entering wage negotiations. "Leaders of labor unions have a particularly critical role to play, in view of the great power lodged in their hands," he asserted.

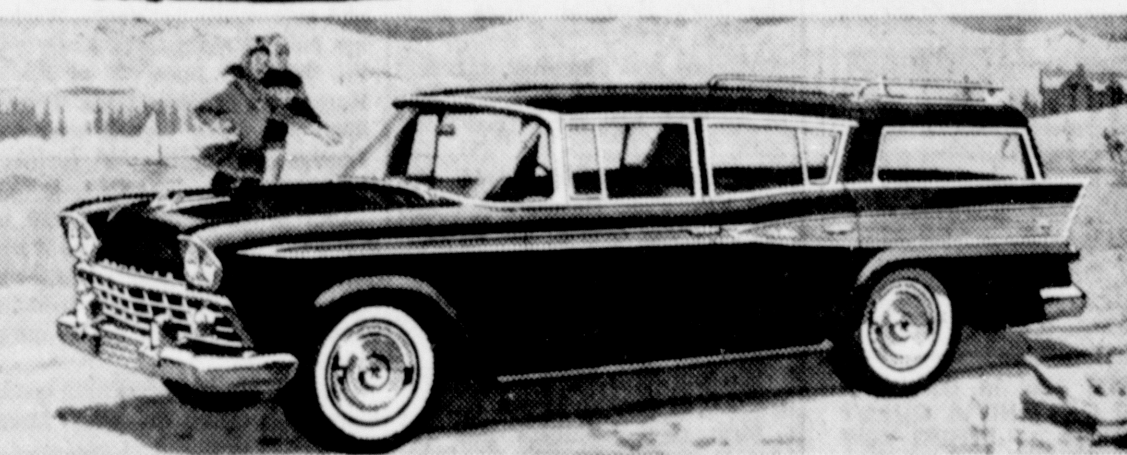

"Self-discipline and restraint are essential if reasonable stability of prices is to be reached within the framework of the free competitive institutions."

"If the desired results cannot be achieved under our arrangements for determining wages and prices, the alternatives are either inflation, which would damage our economy and work hardships on millions of Americans, or controls, which are alien to our traditional way of life and which would be an obstacle to the nation's economic growth and improvement."

3 out of 4 women prefer an ELECTRIC clothes dryer

They have good reasons for their choice. An electric clothes dryer has no flame, no fumes, no flue. It's safe and gentle enough for the prettiest colors or the most delicate fabrics. It's clean—and easy to operate. And an Electric Dryer is so trouble-free—as few as five moving parts compared to 18 or more in other type dryers. No wonder an electric clothes dryer is first choice with so many women you know!

THE DRIVER'S SEAT

A couple of years ago the state almost lost their independence in the field of highway safety.

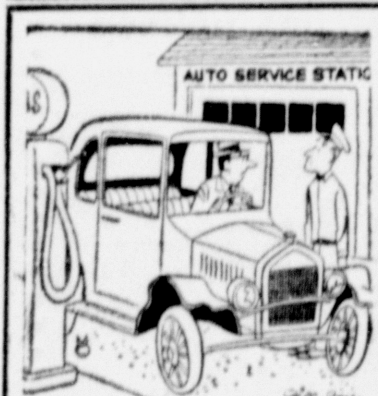

At that time a congressional subcommittee was conducting a sweeping inquiry into the causes and curves for the staggering annual auto death toll.

After producing one of the finest available source books for highway safety action, the congressmen came to the proper conclusion that at best the federal government can only help those states that wish to help themselves save lives on their roads and streets.

Presented here are a few well-documented areas where immediate legislative action can save many lives and win public recognition for responsible state government.

More Rigid Exams

1. More rigid driver examinations, re-examinations and impartial suspensions of driving privileges — Only 10 of 49 states achieve over 85 per cent of the driver screening and improvement accomplishments recommended by the National Safety Council. Twelve per cent of all auto accidents are caused by drivers with defective vision — who should have been weeded out long ago.

GIVE ME 15 GALLONS OF GAS AND A QUART OF OIL. THEN TOW ME TO THE TOP OF THE HILL.

We've got an even better idea! Our bumper-to-bumper overhaul has given many an aging car a new lease on life. If your car is "getting on in years," this youth-restoring treatment would seem to be indicated.

Thomas Texaco Service
Steinwehr Avenue

2. Compulsory vehicle safety inspection

A national voluntary vehicle safety check program last year found about one in every five vehicles inspected in need of safety attention. Yet only two of the 49 states have provisions for compulsory state motor vehicle inspection.

3. Adoption of "safety" license plates — Seven states out of 49 already have adopted safety license plates, made of a reflective-type material which gives off a warning shine in headlights. They are responsible for reductions in nighttime rear-end collision accidents and fatalities, the most frequent of all types of vehicle collisions.

4. Uniform traffic laws, ordinances, signs, signals and rules of the road — Surveys reveal that our national traffic law and sign uniformity manuals, responsible for saving many lives through safety standardization, are being largely ignored by state government.

These are just a few of the things that demand our attention now. And it takes just one conscientious lawmaker to start the ball rolling for greater highway safety.

Abbottstown

Mrs. Della Butt
ABBOTTSTOWN — The annual congregation business meeting of the United Church of Christ will be held Wednesday, January 28, at 6:30 p.m. in connection with a covered dish supper in the social room of the church.

John Kenneman is a patient in the York Hospital where he is reported as improving slowly. His son-in-law and daughter, Mr. and Mrs. T. E. Brown, and their son, of Ashland, Ky., were recent visitors.

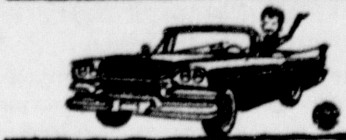

Mr. and Mrs. John Brown, Mr. and Mrs. Fred Herman, Mr. and Mrs. Charles Chubb, and Mr. and Mrs. Dale Reichart attended an archers' banquet in the Rehoboth social hall in York Saturday night.

Mr. and Mrs. Jay Ruffer moved from near here to Dover R. 4.

Mrs. Grove Haines and her daughter, Cina, sailed Thursday from New York to join their husband and father in Bologna, Italy. Mrs. Haines and her daughter have been guests of Mrs. Helen Haines since August.

MOTOR MAIDS

Drive Carefully Or You'll Hear From The Ladies

Women are waging war on reckless driving in many parts of the country where the welfare of their families or friends is at stake.

In Los Angeles, a group of neighbors have banded together to battle careless motorists on their street. Known as the "Minute Women of Roscomare Road," they record the license numbers of automobiles driven in a hazardous manner.

If repeated offenses are recorded for the same car, the women send the owner a letter urging him to drive more carefully.

Heavy traffic on a school route in Hollywood, Fla., alarmed members of the Pilot Club there. Their community-wide campaign for a new road resulted in traffic officials creating a safe route for school children.

The Hammond, Ind., Junior Women's Club recently completed a study of the relationship between vision deficiencies and automobile accidents. Working only at night, they analyzed the accident histories of 2,500 Hammond drivers. Data developed has been turned over to Purdue University for further research.

And, in Colorado, members of the General Federation of Women's Clubs made 40,000 telephone calls prior to a holiday weekend urging motorists to drive carefully.

Perhaps similar programs would help save lives in your home town.

MORE BACKING ON PA STAND

PITTSBURGH (AP)—The State Board of Public Assistance's stand on birth control for relief recipients is being backed by the Pittsburgh Presbytery.

The Presbytery's resolution Monday stated: "It is Presbyterian responsibility to speak on issues affecting the health and welfare of families."

The Presbytery, which represents 132,000 members in 230 churches, said there is an "admitted need for maternal health therapy in many families."

On Dec. 16 the state board passed a resolution permitting a case worker to make proper referrals to either the client's doctor or a planned parenthood center, if one is available.

The board's action may be reconsidered Jan. 27 since Secretary of Public Health Harry Shapiro said he felt he could not put the ruling into effect unless he was bound by law to do so.

HIGHLIGHTS OF INAUGURAL

HARRISBURG (AP)—Highlights of Gov. Lawrence's inaugural address today:

"... It is natural that we make a jubilee of our inaugurations..."

The worst campaign forebodings on either side—all the overstatements, the occasional spite, the excesses of competition—vanish as completely as last year's snows.

"I believe I know something of the governorship of Pennsylvania... I became a candidate because it was thought that I could bring unity to my party; I was elected governor because a majority of Pennsylvanians believed that I would... summon up the full energies of Pennsylvania to meet the problems which confront us."

"As governor, I will be free of all obligations except those of my oath and of my conscience... I will be ambitious for Pennsylvania's future; the more so, because I have no political ambitions of my own."

"This new administration will have all the advantage of the hard pioneering that has gone before it... we will have a basic framework of useful legislation, which now must be financed and applied to achieve its full effectiveness."

"There will, of course, be new recommendations for legislation... But as I now see them, they will be specialized rather than general, filling gaps and increasing our effectiveness, rather than opening broad new areas of public action."

"In retrospect, I believe that each of us would now admit that Pennsylvania would be better off today, our problems less acute, if we had sought broad-based taxes when our pressures for new state revenues began to rise at the end of World War II."

"Pennsylvania farms... mines... railroads will never again support the massive labor force of the years gone by... The growth pattern of population in the country favors the South and West... manufacturing has ceased to be a major source of employment in our society—and Pennsylvania is a manufacturing state. There has been a tremendous shift, nationally, to the service industries, in which we are not predominant."

ENTERS WOMEN MARINES
Enlistment of Rebecca Mae Roth, daughter of Mr. and Mrs. Sterling Roth, Biglerville, and 1958 graduate of Biglerville High School, was announced today by Acting Gunnery Sgt. John G. Conway Jr., in charge of the U.S. Marine Corps recruiting office in York. She will report next Monday at Parris Island, S. C., where she will undergo six weeks of basic training, after which she will be assigned to clerical school for four weeks, then be granted a 15-day leave.

UNIVERSITY PARK, Pa. (AP)—The Pennsylvania State University Press today established the Louis H. Bell Memorial Award honoring the memory of the school's late publicity director.

The annual award will first be made in 1960 to the member of the university's teaching or research staff who submits the best book manuscript during the preceding year. It will include a \$1,000 cash prize, citation and all royalties from the book's publication.

passed a resolution permitting a case worker to make proper referrals to either the client's doctor or a planned parenthood center, if one is available.

The teachers and officers of Trinity Church School will hold their annual covered dish meeting on Tuesday, January 27, at 7:30 p.m. The Rev. Roland Ries, new director of Christian education and youth work of the synod will be the speaker.

Marjory Robinson was honored on her third birthday Saturday by a gathering of her friends at the home of her grandmother, Mrs. Marcia Ray, Bankard Terrace. Included among the guests were Deborah and Dorothy Lowman, Jerry Waddell, Timothy and Paul Teeter and J. B. Chenoweth. Cartoon movies were shown and ice cream and cake served.

Waste in wood manufacturing has been cut to a large extent by using thinner saws. There is less useless sawdust.

2 FINED FOR CHEATING PA.

SMETHPORT, Pa. (AP)—Two Schuylkill County men have been fined and imprisoned for shortweighing the State Highways Dept. of nearly \$3,000 worth of cinders.

Vincent Swartz, 38, of Frackville, was sentenced Monday to from 5-to-11 months in McKean County Jail and fined \$1,000. John Harris Jr., 32, also of Frackville, drew a 3-to-8 month sentence and a \$500 fine.

Harris and Swartz were convicted last October by a McKean County Criminal Court jury of delivering short weights of cinders in 1956.

Harris was also indicted by a Dauphin County grand jury Monday on charges of conspiracy and false pretenses in connection with another cinders deal.

Harris testified last September in the trial of Victor Prep, a Frackville, contractor who was convicted of conspiring to defraud the highways department through fake cinder deliveries. Prep is serving a 2-to-4 year term in Dauphin County Jail.

Little Rock is on the Arkansas River. It also has six lakes.

Carrots with deep green shoulders around the leaf end sometimes prove to be bitter.

HARRISBURG (AP)—A Greyhound Corp. plan to turn over a 238-mile route between Erie and Towanda to the Allegheny Lines Inc., Warren, was rejected Monday by the Public Utility Commission.

The commission said there was nothing in Greyhound records to show the firm operates the run at a loss and no basis for the position that the switch to the proposed new line "will in any manner tend to enhance the degree of service, accommodation and convenience available to the public."

Card of Thanks 2
KENNELL: We wish to express our sincere thanks to everyone for the kindness, sympathy cards, floral tribute, during the illness and after the death of our mother, Mrs. Annie V. Kennell.

In Memoriam 3
ZIMMERMAN: In sad but loving remembrance of our dear wife and mother, Hettie Zimmerman, who departed this life one year ago today.

No one knows the silent heartache. No one knows who has lost can tell Of the grief that borne in silence For the one we loved so well.

Gone is the face we love so dear, Silent the voice we loved to hear And those who think of her today Are the ones who loved her best.

No one knows how we miss her As the time goes by, But we know we can meet her someday In that better home on high. Sadly missed by

SUN OIL CITED BY FTC IN GAS WAR SQUEEZE

WASHINGTON (AP)—The Federal Trade Commission has told the Sun Oil Co. of Philadelphia it must stop charging any of its service station customers less for gasoline and other petroleum products than it charges competing dealers in the same marketing area.

The company also was ordered to stop what the FTC called illegal conspiring to fix the retail price of its products.

The commission adopted as its own an initial decision by Examiner Robert L. Piper, who ruled that Sun Oil's reduced price on gasoline to one dealer in Jacksonville, Fla., resulted in loss of business to competing Sun Oil filling stations. The commission said this violated the Robinson-Patman amendment of the Clayton Anti-trust Act.

The commission further held that Sun Oil violated the Federal Trade Commission Act by conspiring with Gilbert V. McLean, the Jacksonville dealer, to fix the retail price of gasoline.

Chairman John W. Gwynne said in the commission's opinion today that Super-Test Oil Co., selling a non-major brand of gasoline, opened a new station across the street from McLean's in June 1955. He said McLean lost business because of super-test lower prices and appealed to Sun Oil for help. Gwynne said Sun Oil gave McLean a discount of 1.7 cents a gallon, but did not give this discount to any other dealer in the area.

World Briefs

PARIS (AP)—Greece and Turkey Monday were reported hopeful of arriving at a compromise on the thorny Cyprus issue as secret negotiations continued between their foreign ministers.

A Greek source predicted a joint communiqué outlining a compromise plan for the future of Cyprus might result from the meeting.

MOSCOW (AP)—Pravda, the Communist party newspaper, supported Fidel Castro's execution of what it termed the Cuban "war criminals" in an article Monday which accused the United States of defending the supporters of ex-President Fulgencio Batista.

LONDON (AP)—The mass circulation Sunday Pictorial says it will publish no more chapters in its latest backstairs series about Queen Elizabeth's home life.

The tabloid came out last week with the first installment in a series by William Charles Ellis, for nine years superintendent of Windsor Castle. It was billed as an informal and affectionate account of the royal family's life.

The Royal Court thought otherwise. Last Thursday a temporary injunction was issued on the Queen's behalf. It restrained Ellis from breaking the pledge now required of all palace employees that they will not write about the royal family after leaving its employ.

TV Series To Dramatize "Mystifying Experiences"

By CHARLES MERCER
NEW YORK (AP)—"I believe in psychic phenomena," says actor John Newland.

Although his belief has been lifelong, he says he has not had the opportunity to participate in the expression of it in dramatic form until now. He is the host of a new series which dramatizes mystifying experiences on "Aloha Presents," making its debut tonight on ABC-TV—10 p.m., EST.

"A guide to the unknown" is the way Newland characterizes his role. Each program, he says, tells a story employing the basic elements of love, suspense, adventure—but based on an actual event of psychic overtones.

Harder To Be Skeptic

The opening half-hour drama concerns, he says, "a girl possessed of another wandering spirit who uncovers a murder. The case actually happened in Rome and was authenticated by the Vatican."

A man asked Newland if he believed that one skeptical of psychic phenomena who watched the series would be likely to be converted.

"We aren't trying to convert anybody," Newland replied. "We're trying to present good drama. But I believe that watching the program will make it harder for one to be a skeptic."

"We Can Levitate"

Newland went on to describe the background of one of the dramas in the new series. In Peru there are the ruins of massive, perfectly cut granite such as does not exist in the Andes and is found only in the Nile valley of Egypt. How was the granite moved from Africa to South America in some long past age?

"Look," Newland answered his own rhetorical question, "we can levitate this table. Table levitation is accepted everywhere."

He went on to expound his theory as to how the granite reached the high Andes from Egypt: By levitation, the art that possibly built the Pyramids and has since been lost after the death of those initiated into it.

Bemused By Image

The man said he was just a plain skeptic.

"You think about it," Newland said.

Ever since, the man has been bemused by the mental image of frail little Egyptians crossing the Atlantic in tiny boats as they levitated 20-ton blocks of granite overhead with delicate hands.

OFFER PLAN TO MAKE LOANS AS EDUCATION AID

HARRISBURG (AP)—Financially poor Pennsylvanians who want to go to college might someday have a state agency from which to borrow money for education.

Such a plan was proposed Monday by two Allegheny County Democrats who introduced a bill in the House calling for setting up a Pennsylvania Higher Education Assistance Authority.

Reps. John T. Walsh and Leo J. McLaughlin cosponsored the measure, which would allow for loans of up to \$10,000 for students judged college material.

Up To \$2,000

Applicants for loans would receive a top of \$2,000 a year up to \$10,000 to attend college in Pennsylvania or another state.

The authority members would be named by the governor, the Senate president pro tempore and the House speaker. Each would appoint three members.

The bill was under committee study.

Another proposal under committee study would require all school children be immunized against polio, effective Sept. 1. Another would provide for a statewide lottery as a means for financing the Korean War veterans' bonus. A four-member commission would administer the lottery, selling 25-cent tickets.
